LORRAINE LAGROS 474-5008

The Farmington Area P.T.A. Council was represented by Mrs. Arthur Lennox and Mrs. James Davis, at the Michigan Congress of Parent-Teachers Convention, which was held in Lansing, April 21, 22 and 23.

Both Mrs. Lennox and Mrs. Davis returned with enthusiastic reports and a feeling much was accomplished in the interest of P.T.A. The theme for this year's convention was "Building the Child's Tomorrow." It was a most inspiring and thought provoking program in its entirety, they stated.

The Council representatives strongly urge each local unit to make every effort to send at least one delegate to the convention next year. It is through this media leaders can become better informed and better able to perform their duties.

Officers for next year were elected last week by the William Grace PTA. The slate was: President, Mr. Steve White, Father Vice President, Mrs. Veneta Kaskin, Mother Vice President, Mrs. Beth Gale, Teacher Vice President, Mr. Louis Fox, Treasurer, and Mrs. Mildred Fox, Secretary.

Following, a business meeting, a panel of William Grace topics presented a progress report on the Continuous Progress program which has been in use this year in the P.T.A. Level. On the panel were Mrs. Jean Sudlow, Miss Helen Jane Spark, Mrs. Beth Gale, Mrs. Ethel Heaton and Mrs. Margaret Ellingham.

GENERAL description of the reading levels which form the basis for this program was given. Discussion of some of the specific problems such as the means of reporting progress and the difference between this type of study and the regular type used presently in Farmington was brought out by questions from the audience.

The remarks of the teachers were summarized by Mr. Nicholas Abdi, Principal, and Miss Elsie, Director of Elementary Education in Farmington. The general feeling was that the program is working out successfully for the students who are progressing at their own speeds, and, for the teachers who are released from clerical rates of learning.

Refreshments were served at the end of the meeting.

## Hold Blue Star Mothers Chapt. Meeting Here

The Wheeler Street Fire Station was the location of the April meeting of the Farmington Blue Star Mothers. In the absence of President Catherine Byrne, the meeting was led by First Vice Mary Jo Brown.

The big news this month is preparation for the State Convention which will be held at the Henrose Hotel in Detroit. Our delegates are President Catherine Byrne and Mary Ellen Smith and alternate Mrs. May Fox and Margaret Mitchell.

Two members of the Farmington Mothers are state officers—Irene Senger and Anna Paulini, so Chapter 49 will be very well represented.

THE ANNUAL rummage sale is to be held at the Wheeler Street station on May 16 and 17. Chapter 49 is sending out a call for anything persons can donate for the sale. The doors will open at 9 a.m. and close when business becomes too slack to bother.

Fern Ramage's hospital visits have been very successful and the boys at Ann Arbor Veterans are looking forward to their parties each month. Parties for the veterans is one of the happy duties of the Blue and the Gold Star Mothers of America which also helps the hospitalized veteran's family in any way they can. There is a great need for more Mothers and if you are the mother of a veteran or a service man or woman they would love to help you do your share in asking you can do for your country. Just call Catherine Byrne at GR. 4-2404. The Chapter's wants for your time are very small, very rewarding.

MAURINE KREUGER will have the monthly Social at her home in Milford on May 13.

The Farmington Chapter, through Dorothy Gay and Fern Ramage, donated eight pounds of material for Cancer pads. The May birthday cake will be donated by Ethel Lint for the meeting May 21.

The baby girl, Michele Louise, weighed in at 4 lbs. and 13 ozs.
