FARMINGTON Telephone Lines

By HUGH BRONAUH, Mgr.

\$96.4 MILLIONS! That's what your telephone company plans to spend on construction this year, to keep pace with the telephone needs of Michigan businesses and families. "Construction" includes such things as laying cable, installing equipment, and putting up new buildings or building additions.

This year, and in the future, we expect to keep on building to meet Michigan's increasing needs for communications. And we'll be putting millions of dollars directly into our state's economy at the same time.

FLORAL PARK
E. R. PHILLIPS
GR. 4-6575

The Walter Kreuter family of 22769 Lilac (Mr. and Mrs. Kreuter and their Stephen) just arrived home from a ten-day rest at Clear Lake near Atlanta, Michigan. They enjoyed the relaxation and the fishing, and had several Rainbow Trout breakfasts.

Mr. Kreuter said they did all their fishing between 7:30 and 9:00 in the evening. They enjoyed the peace and quiet. He is back at work.

WE CAN WELCOME another family to the Floral Park area. Mr. and Mrs. Lawrence Hull moved into the residence at 22715 Lilac on July 1. They are new to Floral Park but have lived in Farmington for more than thirty years.

They have one daughter, Mrs. Howard Thayer of Farmington.

Mr. and Mrs. Sylvester Knepler and their family, Richard and his wife, Ina, Raymond and their family, arrived home Sunday, the 5th, from a long weekend at Sutter's Recreation area, five miles west of North Branch, Michigan. They were attending a trailer rally which they all enjoyed immensely. In fact, according to them, they were ready to turn around and go right back. They went to Bald Mountain first, where they stayed Thursday night, and then on to North Branch.

Saturday they had choices of treasure hunt, movies or a game of square dance. There was a General Motors film to be seen. They enjoyed swimming and a pot-luck dinner. The recreation is only opening its second year, so everything is almost brand new. There were drawings on seven new kittens, and Mr. and Mrs. Knepler's grand daughter, Annette, was one of the winners. The Kneplers' home is at 23220 Orchard Lake Road.

HALF THE FUN of a vacation is sharing it with the folks back home - by telephone. (Can't you just see the gang, as you describe the fish you caught, or the putt you sank? And of course a considerate person always lets the folks know at once, when he reaches his destination safely. Make a note now to phone back often while you're away. It's almost as essential to happy vacationing - as phoning for reservations before you go!

EASY TO HOLD plus easy to talk into plus easy to listen to... equals your modern telephone! A lot of scientific research and engineering know-how went into making it so. Research, for instance, on the average distance between mouth and ear, the range of loudness of people's voices - even the width of their fingertips. (Those dial openings have to be big enough, you know!) It all contributed toward making your phone a pleasure to use.
