and improvements at the two high schools and at two of the three junior high schools. Jacob & Associates will proceed with plans for additions slated at the G.I.I. Bond and Middlebelt schools as well as at the administration building and for the new maintenance building.

It was indicated that the addition proposed at the G.I.I. School would be given top priority.

News Highlights — 2nd Half of '63

(Continued from Page 1A)

along the Grand River throughfare in downtown Farmington.

New City Hall
The City of Farmington moved municipal offices from the new Liberty Street building, Lion Can Stay.

Justice of the Peace Allen C. Ingles ruled that "Sicilia," a 250 pound African lion owned by Robert Russell of Farmington Township, does not constitute a violation of the Township's zoning ordinance.

October

School Enrollment
The total number of students attending classes in the Farmington School District was reported at 11,726, an increase of 175 over the total enrollment of students at the beginning of the 1962 school year.

Record Quarter
Over five million dollars worth of building activity was begun in the City of Farmington and Farmington Township during the third quarter of 1963. It was the highest third quarter in recent years for new construction.

College
Wendell Brown of Farmington was elected chairman of the newly formed Community College Citizens Committee, an organization dedicated to the task of getting another community college established in Oakland County.

United Fund Drive
The area United Fund Drive exceeded its 1962 goal of \$15,000. The area's quota was \$15,000.

Welcome Sign
The Farmington Board of Commerce erected the second in a series of new welcome signs at entrances into the community.

New Twp. Hall
The new Farmington Township Hall received the finishing touches as the landscaping around the building was completed and the parking lot paved.

November

75th Anniversary
The Farmington Enterprise celebrated its 75th year of continuous publication in the community.

Sell Water Bonds
The sale of \$2,625,000 special assessment and revenue bonds to finance the construction of a water project in Farmington Township, which is expected to be completed by public officials and paved the way for the start of construction.

Local Grid Battle
The North Farmington High School football team scored a rugged 18-6 victory over their neighborhood rivals, Farmington Senior High, in the second meeting between the two schools. The Raiders of North Farmington retained possession of the trophy trophy awarded to the victorious team.

New Sergeant
Officer Robert Deadman was promoted to the rank of Sergeant with the Farmington City Public Safety Department.

School Election
Voters of the Farmington School District went to the polls and approved all three proposals on the special school election ballot.

City Appointment
Fred Seibert was appointed to the Farmington City Planning Commission to fill the unexpired term of Bayard Tupper who was forced to resign for health reasons.

Health Board
G. V. Harrison, superintendent of the Farmington School District, was appointed to a newly created 12-member Oakland County Community Health Service Board.

December

Ground Breaking
Officials from Farmington Township, Oakland County, Detroit and several state and federal agencies took part in formal ground breaking ceremonies for the Township's three million dollar water project.

Trustee Named
Earl Oppenheimer was named to the Farmington Township Board to fill the unexpired term of Trustee Peter Ojelle who resigned to assume a post with his company in Chicago.

Junior Miss
Miss Chris Meyers, a 17-year-old senior at North Farmington High School, was chosen Farmington's Junior Miss.

Twp. Zoning Bd.
Charles Williams was appointed to the Farmington Township Zoning Board.

Judge Retires
Farmington Municipal Judge John J. Schulte, Jr. stepped down from office after 40 years of service to the community. Long-time Assistant Judge Max Huetel retired.

State Lawmaker
Representative Ray L. Baker of Michigan's Fourth Legislative District moved into Farmington to make his home.

City Award
The City of Farmington was awarded the National Safety Council's Traffic Engineering Citation for excellence in the area of traffic route and control measures.

Goodfellow
The Farmington Goodfellow collected a record \$3,700 in their annual Goodfellow News-paper Sale and provided baskets of food, clothing certificates and toys for more than 125 needy families in the community.

Okay Purchase of Snow Removal Vehicle

A recommendation by the administration that a small four-wheel drive vehicle be obtained for use in the Farmington School District for snow removal was approved by action of the Board of Education at a regular meeting last week.

Assistant Supt. James Read was instructed to obtain quotations on the equipment that would be suitable and report back to the Board.

Mr. and Mrs. Phil A. Lacky of 22885 Manning, Farmington, announce the engagement of their daughter, Jerry Lee Lacky, to Joseph Dean Reid, Jr., son of Mr. and Mrs. Joseph D. Reid, Sr., of 30114 Ardmore, Farmington Township, A. June 13, 1964, wedding is planned at Our Lady of Sorrows Church. Jerry and Joseph are 1960 graduates of Our Lady of Sorrows. Jerry attended the U. of D. and is currently employed with General Motors Corp. Her fiancée is a pre-law student at Eastern Michigan University.

Shrine Officers Installing Jan. 9

The Greater Farmington Shrine Club announces January 9 as installation night for the club's elected officers for the new year.

A dining dinner-banquet meeting has been planned for all club members and visiting nobles. This once yearly affair will be held at the Frontier Tavern (Parker House), 3088 Grand River Avenue. The social hour begins at 6:30 p.m. Dinner, installation ceremonies and entertainment to follow.

Entertainment will include our strolling accordionist during the social hour. After dinner there will be a showing of a film titled "Edge of the Sound Barrier," narrated by Mr. Wallace C. Stump of American Airlines. This film briefly covers the evolution of air travel with primary emphasis on the functions of Jet Engines.

For reservations call Russ Ellis, GR. 6-1700; Art Leland, GR. 4-8975; Leo Harwood, RT. 9-2066 or any of the club officers.

Twp. Drainage

(Continued from Page 1A)

will determine whether a new plat will adversely affect or create a drainage problem in already existing plats. The plat will have to conform with the drainage pattern established in the surrounding area of any new plat.

Trustee Thomas A. Duke, himself a land and developer, applauded the proposed resolution. He said it would "solve the problem where there has no place to go."

"An individual lot owner's drainage problem will not be lessened under the proposed resolution. However, Byron Walter called for a more stringent check by the Township Building Department on grading operations on individual building lots, in an effort to reduce the likelihood of a drainage problem for homeowners."

Silver Wedding Anniversary Couple Feted

A Silver Wedding Anniversary party was tendered to Mr. and Mrs. Verne May of 22883 Manning Avenue Saturday evening, December 23, at the Kenwood Club. The couple, married in December of 1938, were some 34 friends and well-wishers who presented a dining silver service to mark the occasion.

Verne and Lee were completely surprised by the party arranged for them by the club, Diane, 20, and a son, Richard, 23, and his wife, Janet.

Yule Party Held By Cub Pack 163

Cub Scout Pack 163 held their annual Christmas meeting and party on December 13. Mr. Smith presented the following clubs' parents with their children's Christmas cards. The following clubs were: Bruce Patterson Lion Badge with gold and silver arrow and 2-year pin, Douglas O'Neill Lion badge with Smith gold arrow, Fred Creighton Bear badge and gold arrow, Kevin Harris Wolf badge with gold arrow, Brian Kelly Wolf badge with Smith gold arrow, Matthew Haigh Wolf badge with gold and silver arrow, Billy Witte gold and silver arrow, David Smith gold arrow, Richard Moxley silver arrow, Ron Witte gold arrow, David DeHann gold arrow, Erik Paul Smith silver 2-year pins.

New clubs whose parents received the Bobcat Badge were Dale Crockett, Bruce Goodwin and Chris Weir.

Mr. Palmer planned the Christmas party which had the theme "Sing Along With Santa Claus."

Santa Claus led the cubs and audience in singing Christmas Carols. Each day had a chance to sing and the audience had a chance to sing prior to singing the song.

The carol titles selected by the cubs were as follows: Den No. 1, "White Bells"; Den No. 2, "Rudolph the Red Nose Reindeer"; Den No. 3, "Silent Night"; Den No. 4, "We Three Kings (Of The Orient)"; Den No. 5, "Santa Claus Is Coming To Town"; and Den No. 10, "Deck The Halls."

After the singing was completed, Santa Claus gave the cubs, their sisters and brothers Christmas candy.

Dealers Donate Driver Ed. Cars

The Farmington public school system has received two cars to use in its driver education program as the result of a generous offer made by two local auto dealers.

Tom and Country Dodge Inc. will provide two cars and O'Green Ford one at no cost to the school district. The only stipulation is that the cars can be used for advertising of the auto dealers on them.

Prior to official action accepting the cars taken by the school district, the Board of Education at its regular meeting last week, there was some discussion about what adverse effects there might be in allowing cars to be used having commercial advertising on them.

Assistant Supt. James Read also informed the Board that another local dealer was also considering seriously donating a car to the district.

JC's Bring Santa To Plymouth Home

Four members of the Farmington Junior Chamber of Commerce and one member of the Jaycee Auxiliary helped Santa make a special visit to the Plymouth State Home for Retarded Children on Saturday, December 21.

This is the third year that gifts and treats are distributed to these unfortunate children in Plymouth.

Santa was able to visit all most of them, with over 600 being given, and he talked to many of them as he passed through the rooms and wards.

Project Chairman Jim Alstrom accompanied jolly old Santa. Also with Santa's helpers were Tom Lindberg and Jane Alstrom. Jim Smolinski made arrangements with the Home and was Santa's right hand man.

The staff and children at Plymouth Home agreed that Santa's early visit cheered everyone during that pre-holiday weekend.

Michigan leads in the production of valuable hard maple and yellow birch lumber, and 85 percent of the world's supply of bird's-eye maple comes from the forests of the Upper Peninsula.

Michigan is a leading producer of plantation-grown Christmas trees, with over 10,000 growers.

School Site Problems Aired

Developments which have taken place in the Farmington Board of Education's effort to obtain a sufficient amount of property for a school site in Section 1 in the extreme northeast corner of Farmington Township came in for considerable discussion at the Board's regular meeting last week.

Owners of a large parcel in this section who are planning to develop it gave indications that they would be willing to deed over to the school district four or five acres of a park area specified in their plans.

It appears, however, that Township officials do not favor this plan because the cluster-type housing plan which this development is proposed to be, the park area specified must be left to the joint ownership of the school and the owners of the subdivision. Township officials contend.

"Homeowners on Franklin Highway have also indicated to the School Board that they do not want school property abutting any of their lots. They have even requested that they be allowed to buy a portion of the vacant property nearest their property to assure that school property will not abut theirs."

At this point the School Board will still be deciding where it will be able to obtain a large enough land parcel suitably located in this section for a school. But, one thing is certain, a school in Section 1 will be needed if plans for the large new subdivision materialize.

Program for Women On Cancer Set Jan. 7

A program on breast cancer will be presented Tuesday, Jan. 7, at 8 p.m. at the St. Fabian's Church on 12 Mile Road between Farmington and Orchard Lake roads.

The program will be presented by Dr. Edwin Blumberg, local physician. The film on "Self Examination for Breast Cancer" will be shown. Dr. Blumberg will talk and answer questions on various aspects of this subject.

All women of the area are invited and there is no admission charge. For additional information call either Mrs. Dorothy Harris, GR. 4-3321 or Mrs. Mary Bertsch, GR. 4-3054.

Injured in Two-Car Crash in Township

A Farmington man was seriously injured in a two-car accident on Grand River Avenue near Jefferson Street Christmas Eve.

Taken to Redford Medical Hospital for treatment of injuries was Phil A. Lacky, 43, of 22883 Manning Street in Farmington. He was alone in his car.

The driver of the other car, Mildred Elizabeth Parisau, 21, of Detroit, was not injured. A passenger with her, Betty Blake, 33, of 29070 Sunnydale in Livonia, suffered minor injuries.

Four New Teachers Added; Four Resign

The appointment of four new teachers to replace an equal number resigning was approved by action of the Farmington Board of Education at its regular meeting last week.

New elementary teachers will be Joanne Trill, Carol A. Glassner, and Gerald R. Morawski. Ruby Glick is returning to Farmington High to teach after a short absence.

Teachers who have resigned are Iris Platnick, Judith Sharkey, Kathryn Tuer and George Tweed.
