County Judges Warn Drivers

A new three-point policy aimed at reducing juvenile drivers' accidents and moving violations has been announced in Oakland County by Judges Norman R. Barnard and Donald E. Adams.

This policy, outlined in a pamphlet distributed by the Automobile Club of Michigan, was made known today (July 24), as follows:

1. Racing with an automobile calls for suspension of driver's license.

2. Moving violations indicate bad driving which calls for suspension of driver's license.

3. Firm treatment for those who drive after their licenses have been suspended.

"We are not starting a 'get tough' policy," said Judge S. Barnard and Adams, "but, those youths who do not respect the rights and privileges of other drivers can expect to lose their own driving privileges."

Copies of the pamphlet, titled "Science of Safety on Juvenile Traffic Violators," will be distributed through the juvenile court and driver education courses.

John Says:

The regular monthly meeting of the West Farmington Farm Bureau was held at the home of Mrs. Florence Sharp, 30621 Grand River, on Tuesday, July 21. Fifteen persons were present including four guests.

Committee chairmen gave brief reports on their selected subjects.

THE DISCUSSION topic of the month, "Seeking Sound in a Rural School," was presented by Mr. and Mrs. Fred Hall, who spoke on what farmers may do to increase successful merchandising.

Mr. Louis Felu, formerly of Cuba and now residing in Florida, gave a most interesting account of merchandising farm products.

One item of interest to the group was the comparison of our farm wages to that of Cuba, which is \$1.25 for a twelve hour day in the fields.

Mr. Felu is the son-in-law of Mr. and Mrs. William Tamm of Three Mile Road.

After adjournment, refreshments were served by our hostess, Mrs. Florence Sharpley.

The August meeting will be held in the Fellowship Hall of Forest Hills Missionary Church of 30623 Twelve Mile Road, Farmington.

Work on Gill

is "Bogged Down"

Progress on the Gill Road School addition has been "bogged down" lately according to J. MacDonald Jacob, architect, in his report to the Farmington School Board at their regular meeting last Monday.

Jacob stated that work had slowed down because of strikes and a shortage of workmen.

The last two floors were to have been poured on Tuesday of this week, and windows have been installed and glazed before the interior work can be finished, Jacob said.

The addition is scheduled to be completed before the start of the school year in September.

It's a lawn, lawn time from May to September. The Institute for Safer Living of the American Mutual Life Insurance Company recommends a mid-summer sharpening for frequently used lawn mowers and hand tools. Keep lawns free of loose small objects to avoid nicking and blinding blades.

**GOP Candidate
Talk Monday**

Despite the extremely hot and humid weather Monday night, between 100 and 150 people attended the Farmington High School gymnasium for "Meet the Candidates Night," sponsored by the Farmington Republican Women's Club.

Naturally, all the candidates who spoke were Republicans and the audience was partisan.

Governor Romney was unable to be present but his opponent, George Higgins of Ferndale, was present and gave a short talk.

Mr. Higgins, who was the only one to speak, was well received by the audience.
