New Ideas for Home Abound at N.Y. Fair

The newest ideas and trends in interior design—highlighted by a pronounced emphasis on dimension and texture—will be unveiled to millions of decornoscious visitors when the largest exposition in U.S. history, the New York Work's Fair, reopens for its second season. Wood walls are an essential the home with the country r. For paneling, wide planks e specified and, again, addiare specified and, again, addi-tional pattern is seen.

Knotty, grades of ponderosa,
Knotty, grades of ponderosa
lar. Boards of flat grain western hemlock and Douglas fir
also (quality for the warm,
friendly country look.

Fair, reopens for an exession.

Of major interiest to interior design enthusiasts at the Fair will be the four-story Pavilion of American Interiors, which houses scores of original room settings-family irrooms, living dining rooms, kitchens, bathrooms, playrooms, beforoms and dens—depicting the latest creations of the nation's foremost interior designers.

ciently country look.

Clear, finishes that capture
the wood's true coloring remain the most popular, especially when lacquers and
plastic varnishes that impart
a hand-rubbed look are used.

Scratched Wall?

a hand-rubbed look are used. In dens and family rooms, when the earth colors show to special advantage, loumber panelling may be finished with stain to darken natural coloring to nutmeg or butteguit. Furniture is likely to be disparate, with no attempt made to match an entire suite of one styling and a single manufacturer. Three Ideas turer. Victorian marble topped commodes may combine with Italian tables, Spanish chests, Danish chairs, and American Federal pieces to give that delightful teeling of family, heritage and comfort that is the very watchword of the country look.

The problem of a house with too few bedroom's can be overcome in various ways.

To make room for a daughter in a family of boys or for grands and the second of the second Scratched Wall?
Scratched your wood paneling? It can happen, but don't
despair. Just use a dab of furniture polish stain applied with
a bit of soft rag. Choose the
blond polish for light colored
woods like hemlock and pine,
the dark polish for western red
cedar. Rub the polish stain in,
then immediately wipe off. Repeat until color is matched.

maintenance.

Sometimes you can add space
by dividing a large room. For
instance, a study may be required. This can be placed in a
corner of a large living room or
basement, using portable or fixed screens.

ed screens.
"For luxury appearance, ease
of installation and maintenance,
hardboard merits the consideration of every family needing an
additional bedroom or any room
modernization," Concord concludes

N.Y. Fair

I deas will abound as the far unrelist the newest styles in furniture, fabries, kitches equipment and appliances, interior building materials and a definite, unencomposition of the content o

In another A.I.D. room, a bedroom created by designers Archibald and Virginia Lee Taylor, the blue, green and lavender color scheme is carried out in a wall of grillework which provides a background for an ornate French Provincial double bed. An outstanding expression of dimension and texture, typical of the imaginative decor in many of the pavilion's room settings, is the graceful elegance of a contemporary living-dining area created by the noted in-

rates the living and dining arries the living and dining arries are the living and dining arries are the living and arrived at the living are the living arrived at the living arrived arrived

described by designer Shrallow as "a classic solution to the problem of gaining needed storage space through the use of full-length doors with at-tractive hardboard grillework inserts."

Ceramic Tile Is Now Available In 250 Shades

In 250 Shades

Quick now, in how many colors would you say ceramic tile is now available?

Those who recall the few basic colors of just a few years back will be amazed to learn that ceramic tile now comes in more than 250 shades of primarce in the colors of plumbing fixtures and bathroom accessories.

Tile also is available in an almost endless; assortment of shapes and patterns, including some three-dimensional modules.

Add to this the durability and easy maintenance that tile affords and its easy to understand

Where once tile was confined to bathrooms and kitchen, it's now spreading throughout the home—on entrys, fireplaces and patios and even living and din-
