Livonia Church of Christ
Outlines Program for 1965

The Church of Christ in Livonia has just concluded a series of special services that highlighted the works planned for 1965.

The three phases of the congregation's program that have received special emphasis are Bible School, Benevolence, and World Evangelism. In addition to all of the services during the five-week period being keyed to the motto, "Love Thyself, Thy Neighbor, Thy World." In addition, an annual business meeting and pot-luck dinner was held to summarize the work planned.

Plans for increasing enrollment in the Bible School to take full advantage of the new \$100,000 addition were outlined and last year's growth was noted.

Benevolence works will receive an even greater emphasis in 1965 and again in 1966 with amounts doubled each year for this work. Principle recipients of the church's help are the orphan, widows, and the aged.

Chief among the objectives outlined is the intent to fully support a missionary in some mission field which is yet to be determined. Later in the year the decision will be made regarding what part of the world will be chosen for this effort. No decision has been made regarding the man to be sent, but plans call for setting aside a mission travel fund working fund for use by the end of the year.

The church currently participates in the support of four missionaries, working with state congregations, but this newly planned effort will be the sole responsibility of the Livonia church.

Guest speakers who headlined the special services were James Williams, of Detroit, who discussed the Bible School work; Lester Allen, Superintendent of DuSable-Lewis Children's Home, discussing benevolence; and Ira Rice, missionary to Singapore, who spoke on mission work.

Visitors are cordially invited to this meeting on Feb. 22 at 8 p.m.

"A Letter to Nancy"
Hollywood Film
At Faith Church

Have you heard of the film, "A Letter to Nancy?"

It is a beautiful story, a full-color, feature length, produced by Hollywood by Faith Church by the Lutheran Church—Missouri Synod with film and professionals.

It is a story of Nancy Li, a nine-year-old Chinese girl and how she affects the life of George Reed, a successful lawyer and his family.

The idea of the film was originally conceived because it was realized the powerful impact and message of Christian love and faith would be conveyed through the motion picture medium. "What better way for a family to be brought together than by viewing something entertaining, yet meaningful."

Pastor Ronald Starenko welcomes members of the community to his church, Faith Lutheran, Five Mile, in Livonia, at the three showings, Tuesday, Feb. 16 at 8 p.m.; Saturday, Feb. 20, 1 p.m. (especially for children); Sunday, Feb. 21 at 7 p.m. and 11 a.m. There is no admission charge for the film.

Prices That
Are Fair and Just

Bereavement is the time when most families feel the greatest need to conserve available funds. Recognizing this need for economy, we price our services fairly and justly so that no family has to spend beyond its means.
