

3 Garden Clubs Hold 25th Anniversary Lunch Shopping Around—

with Penny Wyse

By JERRY WENDT
Three Garden clubs, Plymouth, Northville and Rosedale Gardens held their 25th Anniversary Luncheon at Lof's Arbor Lili, Tuesday, April 13.

Over 250 smartly dressed members of the Tri-Club lunched at tables attractively decorated with tulip plants (later given as table prizes). Each individual place was marked with a paper wooden shoe, lace trimmed, on which members wrote their names.

The menu featured such delicacies as breast of chicken, rice milanese, and lemon tarts. Mrs. Henry Borman and Mrs. Frank Holmstrom ably performed their duties in introducing the speakers.

Mrs. William Ullenbruch gave an unusually interesting program. She is a member of the Michigan Division of the Farm and Garden Clubs and spent a month in Europe. Holland was one of her favorite visits.

Members of the Tri-Club vicariously lived her memorable trip as she illustrated her talk with colored slides. She showed pictures of her hosts' and their homes, the festivals and the streets and canals of Holland. Mrs. Ullenbruch had requested an authentic Holland costume and at the close of her

The Rosedale Garden Branch acted as hostess of the luncheon, making the arrangements of the day with Mrs. Harry Borman acting chairman and Mrs. Frank Holmstrom mistress of ceremonies.

So stiffly starched was the cap that it appeared to be made of plastic. Mrs. Ullenbruch is past president of the Michigan Division of the Farm and Garden Clubs.

International Dinner

"Shopping Around" this week we found some good advice for the little lady of the house who also must do the handy man chores.

No, we didn't find any ways to get the man of the house to assume the responsibility—just a way to make the chore of grass cutting, for example, a whole lot easier.

In fact, this will be a good excuse to get out into the yard for a good tan this summer on the pretense of working—because it really isn't work at all—fun.

The answer is a **TORO FLYMO**—which is a power lawn mower that floats on air.

I know, it sounds incredible—but it is true. The Flymo has no wheels! It hovers like a hummingbird while its 19-inch blade lifts the grass up straight and clips it cleanly with never a skip or a scarp.

It is absolutely safe—and it is amazingly lightweight with complete maneuverability. Perfect for slopes or terraces or any terrain where trees, fences or other obstacles are a problem.

You have to see it to believe it—and you can at Burton Holm Hardware and Livonia Hardware in Livonia.

Ancestors Of Revolutionary War Veterans Hold Dinner
The Plymouth Corners Society of The Children of The American Revolution whose members live in Plymouth, Northville, Livonia, Farmington, and Birmingham held a dinner regarding membership may call either of the above women who will be happy to advise them. Anyone who has a Revolutionary ancestor is eligible.

The group had Fred Ayers, State President, from Battle Creek, as their honored guest who formally installed the new officers for the 1968-1969 season. They are Larry Carlson, president; Barbara Doyle, vice-president; Mimi Merwin, secretary; Susan Benson, treasurer; and Mark Saunders, chaplain. Also present at the meeting was Mrs. George Merwin, senior state president.

The theme for the evening was American Music and each member present contributed a short talk about our national anthem, Stephen Foster, patriotic songs, and famous old favorite American songs which are loved and sung by people of America and the world.

The highlight of the evening was a full length color sound movie about the life of Stephen Foster obtained by Mrs. Robert Willoughby, a member of their sponsoring chapter, Sarah Ann Cochrane, Daughters of the American Revolution.
