

World's Nations Represented by Local Teenagers at Model UN Assembly

Representatives of six area high schools were among more than 600 teenagers from Michigan and Canada conver-

ing at the University of Detroit last weekend for the sixth annual meeting of the Model United Nations.

Area schools sending delegations were: Lathrop High School, representing Argentina and Poland; Plymouth High School, China and Congo (Brazzaville); North Farmington High School, Ecuador and Turkey; Bentley High School, Finland, Indonesia, Kenya, and Madagascar; Farmington Senior High, France and the Ivory Coast; and Thurston High School, representing Morocco and Rwanda.

The student delegates represented the member nations of the United Nations in three-day General Assembly meetings Friday, Saturday and Sunday (April 23, 24 and 25) in the U. of D. Memorial Building, with each delegation taking the actual political position of the nation represented.

The Model United Nations is sponsored each year by the University of Detroit Student Council as an educational project "to make known the purposes, principles, and accomplishments of the United Nations."

J. Paul Phillips, public affairs advisor for the State Department Bureau of Inter-

national Organization Affairs, addressed the delegates Saturday evening. Student delegates discussed the questions of sovereignty over natural resources, the renunciation of the use of force in territorial disputes, and internal problems in South-eastern Rhodesia, Malaysia, and Viet Nam.

When not in plenary sessions, the delegates met in committee sessions and caucuses to work out specific resolutions, compromise positions, and to line up support for their resolutions.

Senior Citizens Set Activity In Plymouth

The senior citizens of Plymouth will hold an open house program on Thursday, May 13 from 1 to 3 p.m. in the Masonic Hall. All citizens of the community are welcome, especially those contemplating becoming members.

The annual May Senior Citizens Day celebration of the Detroit Recreation Department is scheduled for Tuesday, May 4 in the Light Guard Armory on Eighty-third Road in Detroit. It will be held from 10 a.m. to 4 p.m. and the program includes card playing, dancing and other activities.

The luncheon will be \$1.75. Those desiring to make reservations should call Linda Myers at 384-5599 by May 4.

Mrs. Gertrude Redmond, of the Detroit Visiting Nurses Association, explained the services available, especially for the aged, at the April 22 meeting.

The three Upon sisters, of Plymouth, presented guitar and vocal selections.

Mrs. Harry Mumby and her committee served a birthday cake and jelly.

Members of the club were shocked to hear of the sudden death of Wilfred Robinson on April 16 just three days after his return from a winter vacation in Arizona.

Promoted to PFC

Stephen Robbins, son of Mr. and Mrs. Kenneth D. Robbins of 14416 Beech Daly Rd., Redford Township, was recently promoted to Private First Class at the Roosevelt Military Academy at Alton, Illinois. Robbins is a junior at Roosevelt.

HOPELESSLY LOST

It's proven fact that people who beat around the bush take the long road to nowhere.

Four in Area Win Chrysler Scholarships

Four Livonia-Farmington area residents have won scholarship awards from the Chrysler Corporation Fund. They were among 150 high school seniors who are children of Chrysler employees to share a total of \$88,500 in awards.

Local recipients were:

Barbara J. Barr, 3480 Wadsworth, Livonia, a Franklin High student who will major in education at Mt. Holyoke College; John W. Bennett, 14249 Ingraham, Livonia, a Bentley High student who will study law at the University of Michigan;

Janice E. Henniken, 17542 Pershing, Livonia, a Bentley student, who will major in education at Hope College; and James M. Gleason, 28742 Ravenwood, Farmington Twp., a North Farmington High student who will major in mathematics at the University of Michigan.

The Chrysler Corporation scholarship program is the largest of its kind in the United States. Scholarship winners were selected by the National Merit Scholarship Corporation on the basis of scholastic ability, leadership, and good citizenship.

The scholarships range from \$250 to \$1,500 per academic year, depending on the student's need, for each of four years' study at a college or university of the student's choice. In addition, privately-endowed schools will receive \$250 yearly from the Chrysler Corporation Fund for each scholarship winner.

Of the 150 scholarship winners, 94 are boys and 56 are girls. Their career choices cover over 30 different areas, with most, 85, planning to enter teaching or an allied educational profession.

Engineering is the second highest career preference, with 29 scholarship winners indicating that curriculum. Medicine and medical technology will attract 18 of the students.

The Chrysler scholarship winners come from 15 different states, with Michigan predominating with 37 recipients. Fourteen scholarship students are from Indiana and nine from the state of New York.

East Junior

Orchestra, Band Cited

The Rocket band and the Easternaires, from Plymouth's Junior High East, received Division II, excellent ratings in the Michigan School Band and Orchestra Association's state festival at Warren on Saturday.

The band played "His Honor" march by Henry Fillmore; "Reinzi" excerpts from the opera by Richard Wagner, one of the required numbers in the Class AA competition for junior high bands, and the "Lustspiel" overture by Keler-Bela.

The Easternaires orchestra played the Mozart Fantasy arranged by Weaver; the "Rondo" from the night music of Mozart; and the required Class AA junior high orchestra number, "Di-vertiments" by Joseph Haydn.

Laurence Livingston is the director of both groups.

The judging panel included: Dr. William Revelli, Larry Teal, and Glenn Smith, all from the University of Michigan, and Edwyn James of Hillsdale.

If your indoor antenna doesn't pick up a clear picture...

get this...

and your picture will look like this

RCA stylus and electronic engineers have scored a major advance in indoor TV antenna design. New RCA indoor antennas look beautiful, work beautifully. They'll sharpen up your TV room and pull in a stronger, sharper picture than you ever thought possible with an indoor antenna. Ask for the RCA Stratoscope antenna for both VHF and UHF channels... RCA Stratoscope for VHF only.

OPEN SUNDAYS KILL CRABGRASS BEFORE IT COMES UP FEED YOUR LAWN FOR A HEALTHY START

Now ONE Plant Food does BOTH!

Yes, now you can prevent unsightly crabgrass from getting a foothold—and feed your lawn at the very same time. Simply apply new Thrive with Crabgrass Preventer.

This amazing combination product contains one of the most effective crabgrass preventers known. Destroys crabgrass before it even appears! (No unpleasant odors as with some other crabgrass killers.) Won't harm good grasses. Rather, Thrive with Crabgrass Preventer helps your grass. A complete plant food, it provides that important first feeding that means so much to a healthy lawn.

Handy 15-pound bag covers 2000 square feet. And here's a happy surprise! You actually pay less for this two-in-one product—crabgrass preventer plus lawn food—than for most crabgrass killers alone!

Buy it now, apply it early! Thrive with Crabgrass Preventer.
