Here Are Vacation Tips For Those Busy Gardeners

With vacation time, here even the best gardeners want to get away for a brief spell. Here are some tips to make it easier.

First of all, just about everyone has a lawn and how to keep it from drying up is of paramount importance.

If you can't get a neighbor to water it, give it a good soaking with a sprinkler, making sure the soil is wet at least 6 inches deep.

Then when the grass blades have dried, scatter at least 4 inches of very fine, almost dust-like moss or other peat evenly over the surface, making sure it gets down to the surface of the soil.

Put your sprinkler on again briefly and make sure that this mulch is also wet. Now, here, a normal cutting with fine clippings left on the grass, your lawn is ready to go two weeks

if the soil is sandy, and longer on heavier soils, without water. Vegetable gardens are easier to protect from drought.

After a good watering, as above, you can mulch with any of various materials, such as grass clippings, (patented), wet newspapers, (if wood chips, but black polyethylene plastic obtainable at most farm and garden stores is best.

In fact, try to keep any of these materials at least an inch away from the stems anyway and don't use them deeper than one inch for annuals and perennials. On roses you can use up to two inches.

House plants present a different problem.

However, perhaps, the easiest and best way to handle them is to water each one on the gentle side.

Then put each one, plant, pot and all into an individual polyethylene for other plastics do not breathe as it does — and set the plant in moderate, not full, sunlight.

Of course, there is always a little risk with any of these methods, particularly the first time you try them, but you will certainly make out infinitely better than without them.

Catholic Schools Split Up

Redford St. Agatha and Farmington St. Mary's of the Holy Family will lock horns in the same division when Catholic High School League action opens in the fall.

Heretofore both teams have been in the Northwest Division along with Royal Oak St. Mary's, Pontiac St. Michael and St. Frederick, Orchard Lake St. Mary's and Waterford Our Lady of the Lakes.

Under a revision announced by Catholic League Director, Ralph Owen, St. Agatha now goes into the Southwest Division while Farmington St. Mary's remains in the Northwest Division.

St. Agatha will now face against St. Francis Xavier, St. Hedwig, Wayne St. Mary's, Ypsilanti St. Ann, Ann Arbor St. Thomas and Detroit Immaculate Conception.

Sorrowers will square off with St. Benedict, St. Francis de Sales, Ferndale St. James, St. Rita, Orchard Lake St. Mary and St. Ann of the Holy Family.

Both the Southwest and Northwest divisions will be part of the Catholic League's Second Division. Each team will meet six rivals within its own pool and engage in one-on-one during the football season.

The change in divisions will prevent St. Agatha from defending its Northwest football title. It checked the first time the "Township school has hauled in a grid title.

St. Agatha also will have a new coach next fall since the resignation of Dave Brazil who guided the Townshipers in football, basketball and baseball.

Fr. James Varty, the school's athletic director, has been searching for a successor to Brazil.

2 MAJOR RACES THIS WEEK

Northville's Business at All-Time Peak

With business continuing at an all-time high, Northville moves into its fourth week of its 39-night summer meeting with attendance up 9.1 per cent and wagering at a record high of \$281,815 for an increase of 7.3 per cent.

And Executive Manager John Carls is looking for even better marks at the end of this week with three major events listed in the first week's schedule.

The first comes Wednesday when Seth, the six-year-old trotting star of the Stephen Clark stable of Brown City, seeks his second straight victory in a \$12,500 Michigan Trotting Derby which has attracted a field of 11 starters.

Seth surprised all but his owner a year ago when he breezed home in the rich stake for an easy victory, stamping himself as one of the state's top trotters.

Now he's off again with two wins in his last two starts, including one over the fastest and best trotters at the Downs, that's enough to make him the early choice in the stake on Wednesday night.

The 11 starters include standouts as Natchez Bill G, Lassie Song from Chicago, Winter Wonderland, Noble Boy, Amalinda, Lind Frisco, Volcanic Dan and Sobriety Set to mention a few.

Then on Saturday, the "Downs will present one of the prize — an Open Handicap that matches the speedy Craig Creed, from the Elmer Conrad stable, with Mike's Pick, the star of the Julia Terptris string from Holland.

It will be the first start of Mike's Pick, who has a mark of 1:58.4, and he'll have to be near top form to beat Craig Creed, who paced the fastest mile in the state last Saturday when he won an Open Handicap pace in 2:01.

Paul J. Adcox, who chased Craig to his record mile, will be in the field and could beat both of the top ones if the race is cut out tight.

Northville's largest crowd of the year—3,448—helped the suburban track attract two records Saturday with the highest wagering ever at the plant.

The record for a daily double pool went by the boards early when the crowd net \$20,200 through the machines, shattering the previous high of \$38,268 set on April 10 this year.

New Marigold Wins Honors in England Trials

Hawaii, a sweet-scented orange marigold introduced by W. Albee Burpee Co., of Philadelphia, Pa., won double honors at the Royal Horticultural Society's Trials at Wisley, England.

Hawaii, which features odorless foliage and big, carnation-type flowers won a first class certificate and an award of merit.

Three other famous Burpee Marigolds also won first class awards of merit at the Wisley Trials. These included Mr. Sam, a big, chrysanthemum-flowered, bright yellow variety; Foreador and Yellow Climax.

Yellow Climax, the first F Hybrid American Marigold ever developed, is one of a group of outstanding hybrids developed by Burpee's plant breeders in their continuing search for superior marigold hybrids.

Rangers Hold Lead in Colt League

In the Redford Colt League, the Rangers strengthened their grip on first place and now boast a record of 9 wins and six losses.

The standings:

W L	W L
Rangers 9 6	Rockets 7 8
Revers 7 7	Rockets 6 8

Tree House

Would you like summer living in a tree house? Then build a deck on the garage roof—if it's a flat roof. The deck can be built in squares in the basement in checkerboard pattern. Squares also can be lifted up at any time for maintenance required by the roof. Use Douglas fir for the best performance.

TWO STRAIGHT championships in the rich Michigan Trotting Derby. That's the goal of Driver Hubert Clark of Brown City and his six-year-old Seth as they prepare for Wednesday's renewal of the historic stake at Northville Downs. Seth won a year ago in an amazing upset and is the favorite this time off with his two victories over the best trotters at the Downs.

Northville's Business at All-Time Peak

That started a night that found the motel handle parking to \$429,507 for an all-time high, bettering the previous mark of \$401,221 set just a week previous.

At the end of 18 nights, Northville has a highly average handle of \$201,815, an increase of 7.3 per cent over the \$271,922 for the same period a year ago. The attendance is averaging 4,433 contrasted to the 4,540 a year ago for an increase of 9.1 per cent.

The "Downs has handled \$5,252,897 to date and the turnstiles count has reached 62,198.

Water Ball Contest Set

Garden City's firemen will defend their title of Western Wayne County Water Ball champions Saturday when they will take on teams from the surrounding area.

The contest will start at 1 p.m. at Fardo and Middle Belt Road, near the Garden City Library, where the champs will attempt to retain the six-foot trophy for the third year in a row.

Competing teams are expected to include firemen from Nankin, Livonia, Plymouth Township, Inkster, Wayne, Taylor Township and Dearborn Heights.

Lifetime Average 307 Detroit Tiger Outfielder Al Kaline's major league lifetime batting average fell two points to 307 when his 1964 average dropped to .283.
