

*Hey, mister,
are there really
trees 'n things in there?*

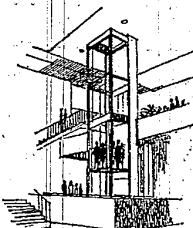

Hudson's Westland is full of exciting surprises for you and your family! Come and see!

We're right at Warren and Wayne Roads. By car, 15 minutes from Wayne, Plymouth, Northville—parking for 4500 cars.

By bus, take the DSR Joy Rd. or these Metro buses: Cherry Hill, Garden City, Merriman, Wayne Rd. At Westland you'll find a complete Hudson's department store — with 16th Upstairs and Budget Stores—plus 64 other stores—all under the same roof with Hudson's, all sharing the same comfortable 72° temperature year-round. The decor's a delight with everything from a floating staircase to a glass enclosed elevator leading to Hudson's Terrace Restaurant where you can see a fashion show every Friday, from 12 to 2.

Of course, you'll find the same exciting selection of merchandise you've come to expect of Hudson's . . . everything from fashions for your family to furnishings for your home . . . and you can use your Hudson Charge.

Lots of convenient services, too. To name just a few: we've a Ticket Service for sports and theater events, a Beauty Salon, Garden Center, Brides Registry, Optical, Photo Studio, Interior Decorating, Studio, Pantry, Shop, Catering, Service, Fur Storage—we've even a Repair Center where we'll fix your watches, jewelry, handbags and more.
