

DR. SAM PRISK visits the Clarenceville School District's Head Start class to instruct the pre-schoolers in the importance of proper dental care.

**Clarenceville Head Start Program Underway for 16**

The Clarenceville School District's Head Start Program is well underway with several staff members and area residents working toward its success. With the opening of the classroom door July 6 and the raising of the Head Start flag at Edgewood School, 76 youngsters started their formal educational training. The curriculum designed by Clarenceville staff members includes many

**Complete Workshop in Nature**

Three residents of the area and one teacher will complete the seventh annual Nature Interpretation Workshop Course at the Nature Center of Kensington Metropolitan Park on July 23.

They are: Mrs. James S. (Rosetta) Maddick of 17163 Kinloch, Redford Township; Michael G. Hanes of 33177 Hoppers Ct., Farmington; and Mrs. Richard (Jean) Maslingill of 15905 Harrison, Livonia.

Ernie Beebe, a fourth grade teacher at Wilson School in Livonia. The workshop is sponsored by the department of biology and division of field services of Eastern Michigan University and the Huron-Clinton Metropolitan Authority, a regional park and parkway agency serving Livingston, Macomb, Oakland, Washtenaw, and Wayne Counties.

The instructor this year is Dr. John E. Lutz, associate professor, Eastern Michigan University, assisted by members of the Kensington Park naturalist staff, headed by Richard Mortimore.

The group attended lectures and studied exhibits at the Nature Center and learned about plant and animal life along the nature trails in the park also learning how to conduct field trips and how to plan a nature trail.

IT TOOK 37 MINUTES for a crew to install an eight-inch water main from the Plymouth system to the Haller Manufacturing Plant on Northville Road last Saturday. The plant was without water only a few minutes during the endeavor, thanks to the co-operation of the Plymouth Township and City Fire Departments. DPW Supt. Joseph Bida is shown watching workers making the final connection — water flowed through the main within minutes.
