MONDAY IS OPENING DAY AT DETROIT RACE COURSE

Things will be a lot different Monday than they were back in 1949, when I first came to the Detroit sporting scene and to Michigan racing. Then, the site of our race meeting was the old State Fairgrounds track

Looking back, I confess the facilities were crude and limited. In a way, I have spent 16 seasons trying to make up for those initial charteomings.

Monday, when the Detroit Race Course opens its 84-day meeting, I believe we will pay a handsome dividend to you fans for your loyalty and support.

We have planned a big Opening Day program of nine races with post-parade at 3:20 p.m. There are surprises galore in store for you, for the DRC has a New Look.

Within 24 hours after we closed our meeting last October, work was started on a building and modernization program which makes the Detroit Race Course one of the finest sports facilities in the United States.

We are putting the finishing touches on our new \$3,000,000 Cinbhouse. It was designed with YOU in mind . . . designed for YOUR maximum convenience, comfort and

We will have it ready to open shortly. Meanwhile, there are many additions and changes which will add to your racing pleasure Opening Day Monday and every day thereafter.

There's a bright and sparkling New Look everywhere at the DRC. You will begin to notice the changes, and be affected by them. from the moment you enter the track

The Mile Terrace, where you can obtain the finest in food and beverages, is open. Your reservation is invited. Just telephone GA 1-7170.

The new Walking Ring, which will give all our fars a front-and-center-view of the thoroughbreds, adds to the color and excitement.

The Turf-O-Gram Board in our infield, the first at a Michigan Track, will keep you posted on every racing development.

The entire grandstand area has been refurbished to make it more attractive and pleasant to you. There is an excellent restaurant, The Silk Room, beef buffets and refreshment stands.

To speed your arrival to and departur from the track, our entrances off Middlebelt and Schoolcraft made were redesigned and we have added an entirely new entrance off Inkster Road. The flow of traffic will be emoother and faster.

Our entire Parking area was restyled to make it quicker and more convenient to get from your car to the grandstand or clubbouse. We have parking for 12,000 cars. Valet park-ing is available at the Cinhorse door for those who desire it.
