LINCOLNSHIRE DAY was a gala affair. Its festivities lasted all day long and into the night. Limited to the residents of the subdivision, an area was set off for the children.

There were races for the kids with prizes for everyone, softball games and at night a gorgeous fireworks show. A catered buffet.

LIONS STAR Milt Plum and his wife Elaine were Chairman of Lincolnshire Day and evening. The hard working committee which helped them make such a success of the event were: Bev and George Ferry, Joyce and Ray Barber, Tibby and Bill Reber, Gwen and John Darling. Besides his laurels on the gridiron, Milt is very civic minded and he and his wife Elaine have worked in many projects in the up and coming Lincolnshire Subdivision.

15 DAY WINNERS in the daily races for the girls were Kyle Uphoff, Linda Plum, Maureen Dempsey, Mary Helen Lehman, Betty Wagner, Janice Seltz, Jason Reber, Kevin Reber, Tim Wister, Greg Glasco, Jamie Page, John Kouzonjian, Rocky Winter, David Plum. They all received a large trophy and a red ribbon for the week.

ALSO RECEIVING A trophy and a red ribbon for the week were Patty Wintner, Barbara Schuring, Cindy Bartlett, Martha Otto, Sandy Leone, Betsy Hoffman, Gail Heuen, Margaret Otto, Ellen Sullivan, Helene Kouslan, Betty Reber, Mary Hubbard, Liz Siegel, Shirley Kelch, Evie Buttafoco, Mark York, Kevin Reber, Mark Cherry, Tim Wintner, Gene Winter, Dan Sullivan, Dave Fancher.

OVER 104 residents attended the Laus. The buffet had been catered. Everyone wore Hawaiian dress. Winner of the best dress prize was Jean Branchan and winner of the Limbo contest was Lisha Szabo.

THE BERT DEHAAM family of Hawberry Rd. have all headed to Asheville, N. C. for a vacation. After a visit with Mrs. Andrews, mother of Margaret Dehaam, the family will all head for Myrtle Beach for a session of fun and swimming. Although Michael Dehaam is only one-year-old, this is his second trip South. A seasoned traveler.

"PINK SQUIRREL" is not the name of a fantastic animal but the title of what I consider the most delicious after dinner drink in the world. Soft pink in color it has a luscious taste and makes you feel like you are draped in mink as you sip it. Unfortunately, the recipe is not available and it is usually found only in private homes. (Hint: Ask for one). The other night sitting at the piano bar in the Livonia Penhouse, we mentioned this to host Hugh Gedrich. He laughed and mottled the waitress over whispered to her and in a few minutes we had a "pink squirrel" in front of us. Learned that this is standard on the menu and one of the few places you can order one.

New Principal at Gill School

Paul T. Rankin has been appointed principal of Gill School. He succeeds Miss Gracie McCarty who cumulated last month to a heart attack at the age of 47.

Rankin until his appointment was principal at Dwyer Elementary School, Detroit. He has been a resident of Farmington for four years and has three daughters attending Farmington elementary and junior high schools.

Rankin is a product of the Redford Schools and took a BS from Michigan State University in 1949. He holds a Master's degree in Education from Wayne State University and is presently a candidate for his PhD. from the University of Michigan. His dissertation is a study of the effects of parental behavior upon achievement of inner-city elementary school children.

Rankin's teaching experience began in 1949 as a language arts and arithmetic teacher in the Detroit Schools. He has taught English to the foreign-born and has served on the "Writer's Committee" of the Detroit Great Cities School Improvement Project, helping to write three pre-papers for that project's city school series.

Further he has been assistant principal at three schools.

Rankin saw active service in the Army Infantry in Germany and Austria from 1947 to 1949. He is an active member of Beechview PTA and East Junior High's Parent-Student-Teacher Council. With his wife and young daughters, he lives at 30130 Wicklow Road.

Livonia Youths Caught Stealing Auto In F'ton

Two Livonia youths, one 13 the other 16, have been turned over to juvenile authorities in the City of Farmington after the police in that community caught them in what the police say was a stolen car.

Seeing a car heading north on Farmington Road, being driven in a poor manner by a boy who appeared to be very young, Farmington Police Officer Michael Guilmette gave chase. He was able to stop the car at Ross and Shawwasee. But the boys jumped out and ran away.

Guilmette caught the 13-year-old immediately. But the 16-year-old was able to hide out all night. Sgt. Jay Harrison and Officer Glen T. Harding, Jr. picked him up early the following morning.

Youths Hold Field Day

On Friday, July 30, the annual Field Day of the Farmington Area Recreation Commission will take place at City Park. All schools will participate in the day's events.

Youngsters will compete in planned competitive sports on both a group and an individual basis. It is hoped that winners of the planned matches can be rewarded for their efforts by being given prizes donated by merchants of the Farmington area.

Buses will load at 9:15 a.m. to 9:40 a.m. Ice cream and pop will be available to those who wish to buy.

A cruise to Bob-Lo Island is scheduled for all playgrounds on the following Friday, August 6. This trip will conclude the activities of the Commission's program.

The cost of the ride to and from the island is 75 cents for those eight through 11 years of age. Children 12 to 15 years old will be assessed \$1.50.

Registration in the program has climbed to 1,200 which is 150 more than last reported. It is expected that this figure will increase substantially during the remaining weeks of the program.

In Farmington's early years, settlers and supply wagons coming from Detroit traveled by way of Farmington. A large swamp in the vicinity of Six Mile Rd. made travel along a more direct route difficult.
