

West Team Better than 0-4 Record

Records can be deceiving... like the 0-4 mark of this year's Garden City West football team. "We're a better ball club than that," says coach Harold Burkholder.

"The first four teams we have played have lost a total of one game between them," added the coach. "Our boys have done a good job. It's just that we are going against one strong team after another."

Typical of the West rivals to date was last Friday's Dearborn Lowrey.

Lowrey, leading from West by a 21-6 score, ran its winning string to four in a row.

Notwithstanding, West got the early jump by scoring on a quick kick to Ben Ardell who scooted 27 yards for the touchdown that made it 6-0 for the Garden City team.

A long pass from Holbert to Gierucki carried Lowrey to West's two, and a play later Gierucki went over and when Mitchell made his first of three conversions, Lowrey was in front for keeps.

The score stayed at 7-6 until the third period when West seemingly could do nothing right.

The Garden City team had the ball only three times in the 12-minute span. The first time, West fumbled and lost the ball on his own 25 and in short order Holbert had another TD for Lowrey.

Minutes later, West fumbled the ball away again. This time a pass to Fox put Lowrey on the West three and two plays later Anderson went across for the touchdown.

West had two good chances in addition to the one it cashed. Late in the half, a pass from Ardell to Terry Thompson for 32 yards put West on the Lowrey seven and then West got to the two before time ran out.

In the fourth period, West reached the Lowrey 14 before a 15-yard penalty killed the threat.

Friday night will find West playing at Schaefer.

For only the fourth time since starting Big Ten play, Michigan State will meet the Buckeyes of Ohio State next Saturday. Kickoff in Spartan Stadium will be at 1:30 p.m.

The abbreviated Big Ten rivalry has seen Ohio State win two games—in 1959 and 1960—and the Spartans win once, in 1963.

Michigan State also won a 1951 encounter that didn't count in league standings and way back in 1912 won in the very first meeting between the teams.

When the Ohioans invaded East Lansing five years ago, 76,530 fans attended, the largest crowd to see a game at the stadium up to that time.

The Buckeyes, always formidable opponents, will feature their usual steady ground attack supplemented by a passing game of more prominence than in past years.

Senior quarterback Don Unverferth is regarded as the best passing quarterback in the school's history.

The Ohio State defense is in good hands. Bill Ridder, Tom Bugel and All-American Ike Kelley provide the Bucks with outstanding linebacking. Tom Barrington and Bo Rein are stars in the offensive backfield.

Among current Tigers who have performed with one or the other are Bill Freeman, Benny McLain, Willie Horton, Joe Spurna, Gates Brown, Mickey Lolich, Fred Gladding, Don Wert, George Smith and Jake Wood.

Other highlights in the Tattoo include two Royal Marines bands, the massed pipes, drums and dancers of the Royal Scots Greys and The Scots Guards regiments, plus the British Columbia Highland Lassies.

The car, seen in the movie "Goldfinger" and "Thunderball," is part of the Royal Marines Tattoo, a 160-member British military spectacle appearing direct from the Edinburgh Festival.

Tigers Take Seven Players On Winter Loop

Three young Tigers and four pitchers from the Syracuse farm club have accepted offers to play winter baseball with the Mayaguez club in Puerto Rico.

Outfielders Mickey Stanley and Jim Northrup and Shortstop Ray Oyler are the Tigers selected. The hurlers from Syracuse are Billy Graham, Jack Hamilton, Bruce Reubaker and Fritz Fisher, of Plymouth, Mich.

Wayne Blackburn, former Tiger coach who managed Montgomery of the Southern League this year, will be the Mayaguez manager, succeeding Bob Swift.

Swift and Stub Overmire, both on the Tiger coaching staff, will manage Detroit's entry in the Florida Winter League based at Dunsdin. Players for that team are being selected by General Manager James A. Campbell and farm Director Don Lund.

Both the Latin American and Florida winter teams have been valuable to the Tigers in the past for speeding the development of their young prospects.

Pistons Set for '65 Opener

The "new look" Detroit Pistons usher in the 1965-66 National Basketball Association season Saturday night when they battle the New York Knicks in Madison Square Garden.

Four nights later, on Wednesday, Oct. 20, the same teams return to Detroit to usher in the Pistons 30-game home schedule at Cobo Arena with the tipoff at 8 p.m.

Pistons Player-Coach Dave DeBusschere will present at least three new faces at New York. They'll be replacements for Terry Disinger, the team's top scorer who now is in the army; Hub Reed, who retired to become a high school coach in Oklahoma and the suspended Reggie Harding.

The Pistons rookie brigade is topped by Bill Buntin, the No. 1 draft choice from Michigan; Tom Van Arsdale, the Indiana University great with his twin brother Dick for the last three seasons and Joe Strawder, a 6-10 center from Bradley University.

In addition, there is Bill Chambliss, the former Holy Redeemer High star; Ron Reed of Notre Dame and Bob Warlick from Pepperdine College all of whom have made impressive showings during the exhibition season, the best in the Pistons' Detroit history.

DeBusschere himself tops the Pistons veterans. He'll operate at one forward position with

five-year veteran Ray Scott at the other. For backups in the corner posts, the Pistons have three veterans—Joe Caldwell, Don Kojis and Jack Moreland, in addition to Reed.

The Detroit-New York game on Saturday will be televised on Channel 59 at 7:30 p.m. It'll be the first of 39 Pistons games which will appear on TV this season.
