

Community-Minded Citizens Asked to Fill Out JC Survey

Community Attitude Survey

By John Bailey:
This is your opportunity to voice your opinion as to what you think should be done in and around Farmington, both City and Township.

Take the very few minutes that are necessary and fill out the questionnaire that is printed in this paper. By doing this you will be doing your part in helping determine what projects will contribute to the development of the community, and are most wanted by the people of the Farmington area.

There is nothing more essential to the development of the community than community participation. With community participation in this attitude survey, the things that are most desired by the community will be shown.

The survey is being taken by the Farmington Junior Chamber of Commerce as a community service. The Jaycees ask that Farmington complete the questionnaire and mail it to them.

Dr. John Richardson, chairman of the community development committee, stated, "We are very interested in receiving as many replies as possible. The more forms returned, the better a cross section of the people's wishes we will have."

Jaycees president Pat Nowak said, "The results of the survey, which will be published in this paper, will aid not only our organization, but also other organizations, in determining the projects on which to work during the coming year."

City and Township officials, as well as business and professional people, including local educators, are behind the survey. They are openly interested in the results.

Fill out the questionnaire and mail it to the Farmington Jaycees, Box 33, Farmington.

In Farmington Out For UNICEF, Sun.

The Youth Fellowship Group of First Presbyterian Church in Farmington on Sunday, Oct. 31, will be collecting for UNICEF. This world-wide organization helps needy children throughout the world. Every person is urged to give to this worthwhile cause. Only a small amount will do very much.

For one cent a little girl can be protected from tuberculosis. For only one nickel, 25 glasses of milk can be given to 25 hungry children and for only one quarter two children can be saved from blindness or trachoma.

Please give as much as you can when we collect, even if you have given once—ANYTHING WILL BE APPRECIATED.

Any amount will be appreciated.

Normandy Hills Hit By Vandals

A home under construction at 34600 Brittany, in the Normandy Hills Subdivision of Farmington Township has been under heavy attack by vandals. According to the owners of the house, the vandals have been not only very destructive but increasingly vulgar in their attacks.

They are apparently going in at night as well as in the day. The police are patrolling, but so far unsuccessfully.

No man would have reason to complain if he could be measured by his own yardstick.
