The New Look Of Stereo

The CUSTOM DECORATOR STEREO CONSOLE BY GENERAL ELECTRIC

Who says a console has to sit on the floor? GE's amazing Custom Decorator hangs on a wall, rests on a table, can be fitted with legs or used as a room divider. Either way, it looks and sounds great.

- Solid state amplifier and tuner—no tubes... efficient, durable circuitry featuring instant sound
- Drop-down tonal I record changer—styled for full stereo enjoyment... professional in every detail
- Swing-out/removable speakers—for outstanding stereo performance plus space saving design

■ All wood cabinetry—genuine walnut veneers over solid hardwood core. Beautiful... anywhere you put it!
The custom decorator stereo console by General Electric is as versatile as stereo itself.
