Lutheran Church, 28680 Cherry Hill. Garden City, is all aglow with the Chrismon tree. And that is Chrismon, not Christmas tree. Christmons are Christis monograms and con-sists of pearl and gold beads, gold mesh and fringe, woven on frames of wire or styrofoam, into a symbol which represents Christis life in one manner or another.

Miniature lights reflect in the Chrismons making it a sight to behold; no tinsel or other form of ornamentation is on the tree.
