

John Says:

"The reason there were fewer accidents in the old horse-and-buggy days was because the driver didn't depend wholly on his own intelligence."

Floral Park News

E. E. PHILLIPS

GR. 4-4575

Mr. and Mrs. Al Davis were married at Our Lady of Sorrows Church July 10 and chose Floral Park for their first home. They reside at 2220 Lilac. They are both products of Our Lady of Sorrows Schools and Al works for the American Screw Products Company of Farmington.

Mrs. Mary C. Hallman, mother of Eugene Hallman, a former resident of Hawthorne, passed away July 24 in Utica, Michigan. She was eighty-six years of age. She is survived also, by two granddaughters, Mrs. Robert Parker of 2117 Hawthorne and Mrs. Gerald Gorman of 22829 Lilac.

MR. AND MRS. THOMAS Mahoney and their children, spent a wonderful three weeks vacationing on their camp grounds on the north shore of Georgian Bay, near Killarney, Ontario. They lived in their tents, had "outdoor cooking" every day, and enjoyed it. The

weather co-operated wonderfully, with warm days and cool nights. They had three boat loads of company join them for a few days. They were from Standish, Michigan and they all enjoyed the boating and the wonderful fishing. At one point, off Fox Island, the group of them had forty strikes of large Bass, bringing home nineteen Bass weighing from one and a half to two pounds each. Many of them managed to break away. It was a wonderful hour of fishing.

OF THEIR OWN family, Tim, Tom, Ray and Al were in the group. The water was shallow and the fish could be seen just before they would "strike." They had several other visitors during their stay. Raccoon, chipmunks and squirrels bravely entered their camp.

The entire family enjoyed the company of their neighbors, visiting with people from

Scotland, Germany, Denmark and England, who have cottages near them. A very enjoyable way to spend a vacation.

Since their return, Tim has departed to participate in the Philmont Boy Scout Expedition, at Philmont Camp in New Mexico. He is a member of the Clinton Valley Committee. He will be participating in all types of Scouting, with several tours, including one to Pike's Peak. It will be a two week affair.

Founders' Festival
To Help Crippled

The Plymouth State Home and Training School this week extended its thanks to the community of Farmington for the wonderful response given to their fund-raising efforts at the Farmington Founders' Festival for the purpose of obtaining money to purchase braces for the young patients at the hospital.
