

Cadet Ronald R. Boucher, 20, son of Mr. and Mrs. Paul J. Boucher, 8611 Fairfield, Livonia, Mich., will complete six weeks of basic summer camp under the Reserve Officer Training Corps program at Fort Knox, Ky., July 23.

Cadet Boucher was not enrolled in the senior ROTC program during his first two years at the University of Notre Dame (Ind.) but new Congressional legislation permits him to make up this on-campus training by attending basic summer camp. He is expected to join the ROTC program upon returning to school this fall.

Cadet Boucher is a 1963 graduate of St. Gregory High School, Detroit.

A request by the Midwest Program for Airborne Television Instruction to increase the rates from \$1 to \$2 per child was approved by the Board of Education on July 28.

The raise in costs will apply only to the Ten Mile School (not including the kindergarten) which is the only school in the district using the television-instructional program.

MPATI has been operating two instructional television channels and plans to continue the two for the next five years.

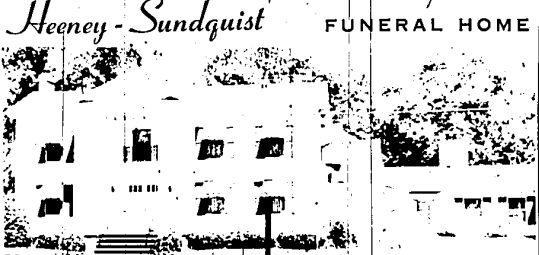

**Picnic Table Request**

A request from the Council of the City of Farmington for permission to place a picnic table on the Flanders School site somewhere in the vicinity of the "Magic Square" area met with the tentative approval of the Farmington Board of Education on July 28.

The approval was made subject to finding out the wishes of the homeowners in the vicinity of the school.

**OK Split of Lot**

The splitting of one large estate lot in Millers Rougemont Farm Subdivision off Inkster Road between 9 and 10 Mile roads into three separate smaller lots was approved by the Township Board Monday night, July 26. It was explained that even after this three way split the three homesites would still have substantially more square footage than the zoning in that area requires.
