Word has been received by Parmington Township officials that Farmington Township will be featured in a portion of a special documentary program on urban growth in the Detroit Metropolitan area to be put on by NBC television on Sunday twine will be nonuneed later. NBC camera crews were in Detroit and the Parmington Township area recently taking pictures of some of the high-lights of urban growth and de-velopment in this area. Exceptionally impressed with the Founders Days celebration held here the last of July NBC officials have asked for copies of the special Founders Days edition put out by The Farmington Enterprise for ma-terials contained in it for the program. Just what material closed.
