It's 1966. Rise up with Dodge. Get with the swinging cars of the year!

JOIN THE DODGE REBELLION

Why wait, when your year is here? The year to snap tired old ties, to break old buying habits. The year to really express yourself... with the '66 swingers from Dodge. Different, exciting cars for people with different, exciting tastes. Rally 'round Dodge for '66. Dart, Coronet, Polara, Monaco... cars made to help you kick the dull driving habit. There are lots of Dodges for you to hang your personal rebellion on.

**'66 Dodge Dart** Still talking about squeezed-up compacts, when you'd rather do something about them? Put your money where Dart is! Unexpectedly big inside, long outside. Six or V8 power. Rise up with Dart! Be expensive without being expensive.

Stamp out cramped compacts; Get with man-sized Dart.

**'66 Dodge Coronet** Here comes Coronet... sharp, smart, sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught onto yet. With a choice of five engines, designed to make the walls of Dullsville come tumbling down. Get away from look-alike, first-cousin cars with Coronet.

Dullsville falls, Coronet rises in '66.

**'66 Dodge Polara** Snap, crackle, pop, go the ties that bind. You're up and out of the rut with Polara. More "big." More "hot." A lot of standard extras (like a 383 cubic inch V8) at no extra cost. See it now. And if you're carrying a big torch for a car that'll really move you, bring the torch along.

Demand more "big" in your big car; insist on Dodge-sized Polara.

CHRYSLER MOTORS CORPORATION

HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1966 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings.

REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
