SHIRLEY BERGER

Welcome to baby Christopher Scott Campbell who arrived, all nine pounds of him, in time

to be announced by his proud papa at the stag dinner on September 18. Won't he be the king of the castle in the Campbell household?

It's the month for boys. Dave and Dorothy Kull greeted their first grandson as their daughter gave birth to eight pounds, nine ounce Thomas David.

Welcomes are in order, too, for more new neighbors. The Lacey family, formerly of Louisville, Kentucky, have bought the Everett house on Lyman Road. They are Robert Lacey, Ph.D., his wife, Bernice, and two sons, Bob, age 21, and Larry, 19. Bob is in his fourth year at Centre College in Danville, Kentucky; Larry is finishing at Millersburg Military Institution in Millersburg, Kentucky. Cleo, the beagle, completes the family picture; she doesn't go to school anywhere.

ROBERT AND BETH DOLL have moved into their brand new house on Quaker Lane. Their children are Debbie who is 10, Jeffrey, almost 8, Sandy, 6, and Sherrie who is 3.

Bows and arrows having become a permanent feature of life at the Weldons', the entire family will head up north for a weekend of hunting and camping. Westbranch will be their camping ground as they stalk the elusive wild-life. The Larson family spent an

idyllic autumn weekend at Shanty Creek Lodge in Belaire. They traveled on up to view the Mackinac Bridge, took a ferry to the island, had the proverbial horse and buggy ride, and also drove over to see the magnificent Hartwick Pines. Linda had her sixth birthday the day after their return, inviting her friend, Buff Berger, to have dinner with her and the family at Franklin's.

WALTER BEMBS' family took time out to dinner at Huck's Redford Inn on his sixteenth birthday.

Chrissie and the rest of the Morgans had dinner, complete with birthday cake and six candles at Adrian, Cotter's in Royal Oak.

Charlie took Ann Oddo to Dunrovin for her birthday dinner, but she didn't mention the number of candles.

Carl Gaiser had his nineteenth, and the first away from home as he is attending school in Adrian. The family did call him up to offer best wishes.

Audrey and Dennis Brunt spent their anniversary evening at The Sound of Music after dining out.

Jack and Betty Garvoda anniversary also. They chose to attend the Saturday concert of the opening symphony concert.

GLADYS AND CHARLIE McMillan spent their anniversary weekend at a delightful motel near Holland, Michigan. It's very close to Lake Michigan and right on the shore of Lake Macatawa. They brought back some tulip bulbs, also some delicious cheeses which their neighbors helped them to nibble.

You must have noticed Louis Karle looting around the sub in his vintage '20 Dodge touring car this summer. The reason for that delighted grin of his as he sounds the klaxon is that he has literally resurrected that automobile over the past fifteen years. He started out with a bushel basketful of bits which he got for five dollars. Our dust veils are off to you, Louis; what an accomplishment!

Twp. To Build Storage Bldg.

Construction of a storage building on the Township Hall site has been under consideration for some time and an economical proposal for getting such a building erected as outlined September 27 by Supervisor Curt Hall was unanimously approved by members of the Township Board.

Hall stated that the janitor for the township had agreed to put up the 27 x 32 foot wooden building and that the only cost involved would be for the cement work, heating and electrical wiring and for some casual labor that might be needed.
