

This is the number to call today to save money on fuel oil all winter!

Look at it this way. If you have not been using golden Superheat, you've probably been spending too much to heat your home. Superheat, alone among all the fuel oils you can buy, is "electrofined" to burn cleaner and hotter than any fuel oil ever has before. And that means you get more heat, better heat, with lower heating bills for the season. Switch to Superheat today...and you'll save money all winter!

Kathy Barbi has taken on the duties of substitute teaching and I understand it has turned out to be almost an everyday job. Though her specialty is Home Economics, she has been given an assortment of classes.

Trucks, trailers, and moving vans have deluged the area in the last two weeks. Several new families have taken root. Brookplace Court has the most new entries with four but the rest are close behind.

ROUNDING out the circle are the Eisenmans. Bob and Lucille have four children: Casey, 15, Donna, 14, Barbara, 10, and Robbie, 4. Bob is employed by F B Wright Co. in Dearborn as a sales representative. Lucille keeps busy with sewing upholstery and furniture refinishing and the whole gang loves sports and square dancing.

Further down at 23977 Brookplace we find Emerick and Doris Petrucci who were neighbors of the Eisenmans before they both moved. The family consists of Kathy, 16, Sherry, 15, Ricky, 3, and Michael, 3. Emerick is the owner of Petrucci concrete floors and he and Doris enjoy bowling, golfing and square dancing. The rest of the clan goes in for swimming and water skiing.

GENE AND SHIRLEY Lillie and their 8 year old son Mark moved into 23849 Brookplace. Gene is a production superintendent at General Motors and Shirley works in Birmingham in the advertising and public relations field. Though both are quite busy, Gene finds time and enjoys refinishing furniture.

Next door to the Lillies are Jim and Karen Kelly and their three boys Sean, 5, Ross, 4, and Kevin, 1. Jim is part-owner of United Roofing Company on Warren Ave. His hobbies include golfing and some gardening. Karen lists singing, sewing and furniture refinishing among her accomplishments.

HELEN IVASCOW celebrated her birthday last week. The Stasaks of Barfield were off again last week when they drove up to Midland to visit some college buddies.

Hope Connie George is feeling better lately. She's been under the weather for several days.

JUST LEARNED that Dick and Mary Kay of Barfield are expecting an addition to the family next year. Congratulations.

The Social committee hopes there will be a big turnout for the party Oct. 23. Costume is OPTIONAL so please come
