Gaylann Rowe, John Beard Married Here Saturday

Gaylann Dennise Rowe and John Wesley Beard, Jr. were united in marriage on October 16, in St. Andrew's Episcopal Church. The Reverend Jay P. Coulton performed the ceremony. The bride, daughter of Mr. and Mrs. Ernest G. Rowe, 33703 Macomb in Farmington, wore a floor length gown with Chantilly lace bodice, elbow length sleeves and Sabrina neckline. The sheath skirt had two tiers of lace which flowed into a silk organza chapel train. Her tiered, elbow length, bouffant veil was secured by an orange blossom and pearl tiara. She carried a cascade bouquet of white roses, stephanotis, and lily.

Miss Bonnie Holwart was maid of honor, Miss Wendy Droegge, bridesmaid, and Miss Shellie Terry, cousin of the bride, junior bridesmaid. Their gowns were of floor length gold velvet with pleated panel down the length of the back, gathered into a bow—all of a lighter gold satin. They carried bouquets of gold and bronze fugi reams accented with autumn leaves and bittersweet.

MISS NANCY POHL, cousin of the bride, served as flower girl. Her gown was a younger version of the older girls' and her bouquet, a smaller version of theirs.

The bridegroom, son of Mr. and Mrs. John W. Beard, 4621 Milner Road, Stockbridge, Michigan (formerly of Farmington), chose Dennis Rowe, brother of the bride, as best man. Ushers were Clifford Murphy and Edward Gestro.

For her daughter's wedding, Mrs. Ernest Rowe wore a pink brocade sheath with matching coat. Her corsage was of deep pink sweetheart roses. The bridegroom's mother wore a sheath of aqua and gold and a corsage of yellow sweetheart roses.

Both of the bride's grandmothers, Mrs. George Rowe and Mrs. Thomas Delaney, poured at the reception which was held at the church immediately after the wedding.

The bride, a 1963 graduate of Farmington High School, attended Michigan State University and is presently a junior at Wayne State University. Her husband, a 1960 graduate of Farmington High, attended Cleary College and is presently a student at Wayne State University. He is employed at Burrough's Plymouth plant.
