Independence Green
FARMINGTON'S NEW LUXURY APARTMENTS

With the opening of Independence Green Apartment Development, Thomas A. Duke and George A. Duke, Jr., developers, builders and owners have today brought to the apartment market, a new concept of living. It has generally been accepted that to live within view of a rolling 18-hole golf course is a location generally reserved for expensive residences from \$40,000.00, often up to the hundreds of thousands of dollars.

Not so at Independence Green. Included with the magnificent view of the 18-hole course residents enjoy a modern, luxurious apartment, complete with carpeting, drapes, Westinghouse washer and dryer, and, if desired, complete furnishings. In addition, tenants will have available to them probably one of the most magnificent Country Club facilities in the country modeled after the Independence Hall in Philadelphia. The exterior will be an exact imitation of size, style and detail of the historic building. The interior, however, will be redesigned to provide 38,000 square feet of floor area.

This tremendous size will be devoted to swimming pool, (indoors) club rooms, lounges, breakfast room, dining room, locker rooms, pro-shop for the golfers, offices, private dining rooms, bar, sauna bath, card rooms, ballroom, billiard rooms, t.v. rooms, library, teen room, sun deck, and other miscellaneous activity rooms. In addition to these facilities, the residents at Independence Green will soon have tennis courts and still more ideas are in the making. This comprehensive plan, which includes almost 2,000 apartments, varying in size from the efficiency to 4-bedroom luxury models, in addition to a 180-room motel and shopping center in the round, will offer tenants a quietude and luxury way of life, which cannot be compared.

The convenience of this location, immediately adjacent to "The world's largest interchange," allowing the residents to travel East, West, North or South on Ten Mile Road, Grand River, I-696, I-96 and the soon to be constructed I-275, is indeed appealing.

A golf course, a country club, and many activities is something which has received great enthusiasm. With so many facilities close by, well maintained, supervised and attractive, the residents may enjoy neighborly get-togethers and nightly entertainment. Beamed ceilings, chandeliers, paneled walls, fireplaces, swimming pools will lend an atmosphere of living like a millionaire at a low monthly cost.

Mr. and Mrs. Luther L. Hamlin
Celebrate Golden Anniversary
 Mr. and Mrs. Luther L. Hamlin, 28996 Independence Avenue, Farmington, celebrated their 50th wedding anniversary on July 18. A reception, given by their five children, was held for about 175 people at Colony Hall on Evergreen Road in Southfield. Their two sons and three daughters made sure that old neighbors and friends were all present. Well-wishers came from Detroit, all the suburbs, Pontiac, and Troy. Out of town guests were from Tennessee, Ohio, Kentucky, Colorado and Florida. The Hamlins were married July 17, 1915, in Jellico, Tennessee. Both were born in Mt. Vernon, Kentucky, where they attended school together. They have been residents of Farmington for 35 years. Mr. Hamlin worked 30 years for the Ford Motor Company and retired in 1959. Their two sons live in Redford Township and Utica, Michigan. Two daughters live in Farmington and one in Florida. Two daughters are graduates of Farmington High School—Mary in 1946, and Lorene in 1951. They have eight grandchildren and eight great-grandchildren, all living in Detroit, Dearborn, Livonia and Farmington.
