

David Seay, representing North Farmington High School, is participating in the fifth annual "Day-in-the-Navy" for Detroit and suburban high school journalists. Cdr. Jay DePaulis, commanding officer of the Detroit Naval Reserve Public Relations unit, announced today. Seay will be among 50 high school students who will receive a realistic taste of Navy life. Besides a ship ride out on Lake Erie, highlights of the program include a taste of barracks life at Great Lakes Naval Air Station, Navy chow, a flight aboard a Navy aircraft and a press conference, following career briefings by Navy and Marine representatives.

BY VERA R. KERASTAS 474-3237

East Junior High School was the locale for Kimberley's Association autumn general meeting on October 19. Certain pertinent issues were debated and others were reported upon as to progress.

Herein is a brief synopsis of those items for those of you who chanced to miss this important convocation. A survey by the Oakland County Road Commission is now being conducted on 11 Mile Road and its intersections at Middlebelt and Orchard Lake roads in relation to speed limits and traffic lights. Kimberley's auxiliary police force will be patrolling our area nightly through Halloween. A campaign is being launched to improve safety conditions within our subdivisions in regards to speeding and obeying traffic rules. Continued conferences with Township officials keep assuring us that the path to East Junior High will re-emerge. The Road High will re-emerge. The Road High will re-emerge.

IF DANCING IS your forte, reserve Dec. 11 for the "Frug", "watusi" or even a sedate waltz at Kimberley's annual Christmas dance, this year to
