News From Briar Hill

From now until the middle of the month, you can wish the following people a Happy Birthday — Greg Adams, Judy Loeb, Marsha Young, Jackie Robinson, Roe Wagener, Jimmy MacLeod, Donald Steiner, Kim Sloane, Sandy Wagener, Don Miller and Grandmother Nauman. Celebrating wedding anniversaries will be Jan and Rod Braham on the thirteenth and Ann and Joe Stephan on the fourteenth. Beverly and Bob Setter drove off Sunday, October 17, for a pleasure trip through the Smokies. They spent several days in Gatlinburg, Tenn., a picturesque resort town which Bev compares to Mackinac Island. They drove through the mountains, did some hiking, visited a dam, an Indian reservation and viewed several waterfalls. The fall colors were beautiful, the weather perfect, and Bev will never forget the roads that twisted and turned about every five feet going downhill—she was ready to get out and walk. They returned to their family the following Thursday.

Things were a little hectic what with Trick or Treat night Saturday but it was pleasant nonetheless.

Wednesday afternoon, October 27, Mary Helen Truesdell was hostess for her Quilters group. Quite a large number enjoyed her talk on stereoscopes and looking through them. Mary Helen wasn't sure she would make it through the day as the woke feeling like she was getting the flu but her mother was there to make the dessert and help out. Since the first snowflakes have fallen, her parents decided it was time to go to Florida so they left this past Monday.

Formerly of Kendallwood, Dorothy and Lloyd Heintz are now the new neighbors of the Kleinmans on Briarton. They have two married sons living in Detroit and one daughter, Susan, lives at home and is a secretary at the Ford Motor Company. Before Kendallwood, they lived in the Rosedale Park section where many Briar Hill people came from. I found out Lloyd is a manufacturer's representative for Interstate Smelting and Refining of Chicago before I had to say goodbye as a carpenter and painter were waiting for decisions from Dorothy. Don't wait till next summer and they are working in the yard — stop in and say hello now, and make them feel welcome to Briar Hill.

Jack Patterson of Northwick flew off Sunday morning, the 24th, for several days in California; so Jan and the boys joined her sister and friends and drove to Kalamazoo for the day. They visited and dined

Bev is holding a little boy's jacket, rather new, light tan with red lining. She found it hanging on the Auman's garage door and has been trying hard to find its owner.

Five foreign exchange students attending North Farmington were at services at Orchard School Church Sunday morning, October 24. The students were then guests in various homes for Sunday dinner. The Homers entertained Mate Alberts from Sweden and the Watsons welcomed Monica Raffaelli from Argentina.

Speaking of foreign students, the next A.F.S. meeting will be this evening at the North Farmington library at 8 p.m. Anyone interested in the program or entertaining the idea of a foreign student living in their home should attend the meeting. Irene and Lyle Young of Old Bedford are the co-chairmen and extend a welcome to anyone.

**Sisters Say
'No' to Apts.**

Sisters of Mercy officials went on record Monday night with Farmington Township officials as being strongly opposed to any re-zoning of property to the east of their Mercy College and Mercy High School site for apartment buildings. This order of Catholic Sisters owns and has developed a substantial parcel of property between 11 and 12 Mile roads on the east side of Middlebelt Road.

Lois and Herk Holmes with Shirley and Doug O'Neill were hosts for the Mystery Club evening on the 23rd. The evening started with the members and their invited guests receiving a kit with 6 clues for objects they were to find. They all ended up at Marcol's with the Morens and Chapins receiving top prize, with four couples tied for second. Those on "sacwing" were the Muyskens, Flemings, O'Neils, Capps, Biehls, Holmes, Roos, Mooney's, Morens, Chapins, Walands and Wares.

**Sisters Say
'No' to Apts.**

It was not made totally clear at the regular Township Board meeting Monday night what prompted the letter from the Order of Sisters opposing re-zoning for apartments. It was indicated, however, that a request for such re-zoning was apparently being contemplated and that an expression of approval or disapproval from the Order of Sisters had been requested to be considered if and when an apartment re-zoning request was made.
