Although this is an excellent time to plant trees, it can be done throughout the winter. Prepare the hole in advance and cover with leaves or straw. Planting in winter when the ground is frozen is an advantage if a truck has to drive across the lawn to deliver a large, heavy tree.

SHIRLEY BERGER GR. 6-3308

There has been news of a nature to sadden us all since the writing of our last column. We hope you understand that this is not the place to comment upon it. This is a column to acquaint us with the more or less inconsequential happenings in the lives of our neighbors with the hope that it will lead to a friendly feeling between one of all and a true sense of caring what does happen to each other. It is impossible to move from this type of reporting to those things which affect us so deeply in the space of a paragraph. So on with the trivia.

The Richardson was a case of confusion worse confounded with hosts of little beggars showing up on both nights. But every one seemed to be enjoying the upset in the routine. Unfortunately, there was some vandalism beyond the point of more and more unfortunate.

Shibes attended a birthday dinner for Kathy at Grandpa's as it was his birthday. They held another family celebration at the Mayflower Hotel in Plymouth, and Kathy is now thirteen.

Kay Greenbury has also reached thirteen and invited eleven chums to bowl and have dinner at the bowling alley. Don and Mariellen, spent a "diving" five days in Cincinnati at the National Pool and Dive Convention. There were top

brand new arrival, a wedding anniversary gift for Bill and Nancy. She's Cynthia Lynne who weighed 35 pounds, ten ounces when she got here, and everyone is so happy to have her on board.

DID YOU KNOW that those adorable and so professional cartoonists advertising the recent circus movie at Longacre were the products of Mary Check's facile pen? There seems to be no end to her talents.

Frank Furlong was installed this month as High Priest of the Royal Arch Masons in Highland Park. Congratulations on this fraternal honor.

The Richardson literally had a ball, at first they went to the Steinmetz Electrical Contractors had their annual party at Temple Lodge. They invited the Primeaux to give them, and all were regaled by entertainer Frankie Rapp.

Kay Greenbury has also reached thirteen and invited eleven chums to bowl and have dinner at the bowling alley. Don and Mariellen, spent a "diving" five days in Cincinnati at the National Pool and Dive Convention. There were top

notch speakers, a dinner-dance over in Covington, Kentucky, and a luncheon for the ladies at the glamorous G.O.U.M.E. Room which is similar to our Top-of-the-Flame.

New residents this month are the Longs and the Orams right across the street from each other on Quakerborn. The Jongs are in the former Bouffard House and come from Ferndale where they lived for fourteen years. They have a married daughter, Marilyn, son Tom who attends University of Michigan, Donna, 14, and Peggy, 7. Ed and Pauline Oram have a daughter Sharon Ann at Eastern Michigan University. Ed is justly proud of his hand-some new pool table in its specially-designed location with its just-right lighting fixture. Neighbors are invited to drop over for a game. The line forms on the right, fellas.
