News From Briar Hill

Last week's "Turkey Week" for the bowling leagues. Taking home the birds in the Women's League were Ruth Adams with high game and Shirley Bondy with high over a average. Unfortunately for Ruth Donovan, Betty Emmert's sister, she bowled way below her average and took home the consolation prize.

Last week also found top place being taken by the "Top O' The Heap" — Bev Setler, Carol Riekse, Ann Kleinhaus and Jean Denaro. Right on their tails are the Alley Cats, only 2 1/2 points behind.

Turkey Winners in the Men's League were Joe Collins and Ken Hopkins. Everyone enjoyed last Friday, though, as a beer and pizza party followed league play. Top spot is held by the Gresham Cleaner team — Ted Morris, Howard Haller, Bill Douglas and Don Miller.

Several weekends ago found our daughter, Debbie, driving to Albion. She stayed in the dorms with a friend from Oak Park and since it was Parent's Day and Open House, she met quite a few of the teachers and toured the campus.

Jan Patterson just got word that her uncle has passed away in Rome. He had been a Bishop in the Roman Catholic Church for over thirty years. He was attending the Vatican Council when he died, and after services there, his body was flown to Whitehorse in the Yukon territory which he has served for many years.

October 27 was the day Denise and Pat Pattison flew off for a week in Mexico. Four days were spent in Acapulco, enjoying the tropical weather, and where Pat, who is not a fisherman, caught an 8' sail-fish, which he brought home for stuffing.

While in Mexico City, they attended the bullfights and went on quite a few tours. November 2 found them home again, loaded with souvenirs for the children, who had been looked after by Pat's parents.

Mary Jo Hopkins had a "dramatic" sixteenth birthday celebration. On Friday evening, her date escorted her to the Fisher Theatre to see Carousel and then Saturday night, four of her friends took her to Rotunda Inn for dinner and then to North Farmington for the school play. Friends were Kathy Jajich, Ann Wingle, Bunny Stephan and Linda Lapinski. But, probably to her, the best part was getting her driver's license Thursday afternoon!

Donna Braunerther was twelve on the 19th but invitations were sent out for a party on the afternoon of the 20th. Going out on the Scavenger Hunt were Kathy Colombatto,

Denise and Kathy Weber and other school friends.

It took quite a bit of doing, but Norma Homler had a roomful of guests waiting to surprise Bob when he came home from work Friday evening. It was a birthday party but I didn't learn which number.

Life in Briar Hill has not begun very well for Arthur and Peggy Callahan. The Astons moved out on a Wednesday and they moved in on Friday.

Saturday morning found them rushing their son, Michael, to the hospital for an appendix operation. And every member of the family has been laid up since with a flu bug, even Peggy's mother who came to give a helping hand. The Callahan children number four and they are Cathy, 7; Michael, who will be 6 on Nov. 27; Margaret, 3 1/2 and Robert, 18 months. Let's hope things start brightening up soon for our newest residents.
