## Movie & Comics Slated

Excitement, suspense and colorful scenery of old Mexico is all included in the next movie presentation offered by the Longacre School P.T.A. on Friday, January 26, in the multipurpose room of the school during Teacher's Workshop. The school is located at the end of Arundel west of Gill Road, between Freedom Road and Grand River Avenue.

The second of a series of movies offered by Longacre P.T.A. is a heartwarming story of a small boy's attempts to save a beautiful thoroughbred horse from destruction. Chills and thrills abound in this touching movie.

THERE WILL BE a cartoon included. Both the movie and cartoon are in technicolor and produced by the same producer of the previous movie shown. He has earned the reputation of producing the best movies for family consumption in Hollywood. He was the Grand Marshal of the 77th Annual Tournament of Roses Parade, 1966, whose theme this year was dedicated to him — "It's a Small World" — and very appropriate as he is a master showman who has brought joy and laughter to millions in every part of the world. The motif of this year's parade was due to the

universal acceptance of his small cartoon characters he has created for the enjoyment of young as well as the old, all of which were seen on the first gorgeous flower-bedecked float of the parade offered by his hometown of Burbank, California, "Our Small World of Make Believe". Besides his many endeavors in the movie industry, he can be seen on Sunday evenings on TV in color at 7 p.m. His famous amusement park which has become a Magic Kingdom for anyone who has had the privilege of visiting it was a 20 year dream come true when it finally opened up in 1955.

Showtimes will be at 10 a.m. and 1 p.m. Advance tickets will be on sale January 26 and 27 only. Admission will again be 30 cents per person regardless of age. Refreshments will be available. Parents are welcomed and invited to enjoy the movie especially if their children are very small.

A reminder for those interested: the second series of Conversational Spanish lessons will begin on February 5.

DON'T FORGET to get your order in as soon as possible for your LONGACRE sweatshirt. Orders may be made through Jean Nankervis, GR. 4-7816.

## Letters to The Editor

To the Editor:  
Name promoters for the proposed incorporated township are missing an obvious possibility. Take the word Farmington, lop off the "n"; take the word Township and lop off the "p". Now combine the elements, and add one e to soften the curse or upgrade the prestige (depending on your viewpoint), and you have the following:

FARM TOWNE  
Surely, I submit, no hamlet smaller than Farmington Hills, Farmington Heights, Farmington Vales, Farmington Woods, Farmington Flats, City of Progress, ad infinitum, ad nauseum. And perhaps, just as honest. And the name would still sell real estate.

Sincerely yours,  
Lee S. Peol
