

YES, You Now Can Join Our Organ Classes!

EVEN IF YOU DON'T OWN AN ORGAN

How long have I been playing? Just 6 weeks of the special course and the secrets in my new

LOWREY ORGAN

A popular, Special 6 week course, designed and instructed by graduate teachers, that will enable you to prove to your satisfaction, that you can play before buying an organ. A complete fundamental course in sight reading, rhythm, theory, harmony and pedal study.

No previous music instruction required. Just your untested desire to create beautiful music on the organ.

Daytime and evenings courses for your convenience. Limited capacity restricts enrollment to adults only and only those who do not own organs. Classes will consist of 6 members to insure personal instruction and success for everyone.

A minimum course fee of \$12.00 (includes all materials) will be charged on enrollment.
