VERA R. KERASTAS

Did you know that the beautiful Almy Crabtree with its lush red blossoms has been designated the official tree of Farmington? The Farmington Garden Club has been selling the long-blossomed tree for every spring at \$3.00 per 4-6' sapling, and they would love to see at least one "Crab" in every yard! Contact Ann Crompton by March 10 at 476-2104 to place your order for delivery in April sometime.

Continuing in their zealous efforts to develop an athletic field for all school sports, the East Jr. High Parent-Teacher-Student Council Organization (P.T.S.C.O.) is inviting all families to indulge in their favorite pastime, "eating," by attending the Pancake Supper on Tuesday, March 1, in the school cafeteria from 5:30 to 8 p.m.

At \$1.25 per adult, 75¢ per student, or a plan of \$5 per family, mother can have a night away from the house. If you're not contacted, you may call Mr. Stockell at 476-0144 for ticket information.

LOOKING FORWARD to spring, this group will patrolize a school-wide fair to further the ambitious aim of a physical education field.

Scout Troop 389 Band Mothers are sponsoring a fashion show-dessert card party on March 16 at Dunker Jr. High to raise funds for much-needed band equipment.

Kimberley campfire girls have been on a camping spree. Maria Hawk, 12, and her Tarabakia group of eight 10-year-old girls on January 29-30 camp at Wathana near Holly, Michigan. The warm weather overcame the crisp, biting cold and didn't deter the lassies in their hikes, ice-skating and games.

THIS SAME CAMP turned out to be a muddy "site" for Jean Martello's group of fifteen fourth graders. With Fran Ehlers, assistant, and Lee Lauck tagging along on Feb. 11, 12, and 13, hiking and prolonged pajama parties held their interests.

The main event was the ceremonial at which time each girl chose her own Indian name and received her honor beads for accomplishments.

Martha Hendrix and six assistants helped thirteen seven-year-olds.

Another bowling event was the recent 11th annual March of Dimes Tournament sponsored by the Wayne, Oakland, and Macomb chapters of the March of Dimes. Emily Bowlick, Gerry Garrett and Bonnie Miller qualified for the semi-final on Feb. 19 and 20 at Crest Bowling Alley.

THE TUESDAY AFTERNOON Kimberley A.M.A.'s decided they needed a mid-winter change of scenery so the girls trotted off to a luncheon at Kingsley Inn on Wednesday, Feb. 16, for a leisurely, late afternoon. The most modish there was Marian Barringer, 12, and her crutches and two broken toes, but her handbag was foot ornamented with flowers and decorations.

Marian isn't alone in her convalescence. Among others recently hospitalized were June Clark, Barbara Shaw, Lil Clark, and Byron Walters.

Kimberley's own Borrows sold their home on 2nd and 10th street in preparation for their move to a new home near Twelve Mile Rd. and then 2nd.

Allen, 12, suffered an outer heart wall collapse. He had been recuperating at Ford Hospital and progressing satisfactorily and all his Kimberley friends wish him the speediest recovery.

Last weekend, the long moving van pulled up in front of the Kimberley home on Westmeath. Dick had accepted the wonderful opportunity to be salesman for Canada and the United States for the new line of infrared heating equipment of the Roberts-Gordon Co. Rita and he are now residing in Lakeview, New York, a suburb of Buffalo where, happily, they have relatives.

William Johnston, son of Mr. and Mrs. W. J. Johnston of Ontonagon, and Dail Wiloughby, son of Mr. and Mrs. Keith Wiloughby of 32998 Bendstone, are taking part in Kalamazoo College's winter quarter drama production scheduled for February 24, 25 and 26.

"J.B." the 1959 Pulitzer Prize play in verse by Archibald MacLeish will be presented by the College Players in Dalton Theatre on campus.

year-old bluebirds enjoy mother nature's great outdoors on another pleasant weekend.

Heading north also were George and Barbara Kubitsky of Pipers Lane Court for a long weekend of resort living and occasional skiing at Boyne Mountain.

Westerly bound to warm weather were the Ketels of Greystone. Jim and Carol flew to Las Vegas on January 27 for six sleepless nights! Too excited for such time, they tried all the gambling attractions, breaking out even in the end! Wonderful dinners at the plushiest hotels and seeing such prominent show people as Frank Sinatra, Dean Martin, and Bobby Darin perform make them vow to return next year.

ANN AND FRITZ Kalme's jet airplane followed the express south to Florida and the Keys. A little cool for swimming, Ann and Fritz fished (the vast waters of the Gulf with snakes and alligators), and munched (turtle steak was so-so, the coach cooking was delicious). After nine days of relaxing in the sunshine, including a visit to a brother in Miami, the Kalme's were ready to resume the home-front tasks.

The Joe Emerson's of Wicklow hurried to Fort Walton, Florida two weeks ago on the sudden heart failure of Joe's father. The warm days there reminded Jill of her duties as social chairman for the Beechview Swim Club, and so she is hoping a few people will volunteer to be on her committee to plan more fun-packed parties.

Jill, along with Betty Kowalski, Erva Smith, and Lil Clark went in January to compete in the Mid-Western Bowling Tournament. The 24 below zero frigidly greeting them kept them from enjoying their stay, but much hoped, although they did place among the winners.

## MANY VOLUNTEERS PTA Scholarship Forms Now Available

The Farmington Area Council of PTA and its participating local units each year offer scholarships to deserving graduates from each of the Farmington high schools.

Many Farmington citizens devote a great deal of time toward the program. The counselors in each high school spend considerable time interviewing candidates and preparing data to aid the Scholarship Committee in selecting winners. The secretarial work required is no small undertaking. In addition the council sponsors a child-care program each year to help finance the program. Local finance, likewise, sponsor fund-raising projects. All of the activities require the time and effort of people who voluntarily carry out the work of the program.

A LETTER of thanks from one last year's winner made the whole Scholarship Program appear even more worthwhile than ever. The letter came from Dennis Houghton, son of Mr. and Mrs. Paul C. Houghton of 2825 Wilmarth, Farmington. Dennis is starting his second semester at Walsh Institute of Accounting in Detroit. He had just received the last half of the award money and wished to express his appreciation.

He wrote, "Our final grades for 'A' semester should be arriving by mail any day now. I am fully confident that good grades are forthcoming, so you who worked so hard to make this money is not in vain. I thank you from the bottom of my heart."

Marian Muller, Scholarship Chairman, said "It is a gratifying experience to help a child deserving young people further their education." Muller is an attorney with a law firm in Detroit. She finds time to devote to this project.

SERVING ON the Committee are Mrs. Paul Rankin and Mrs. Sam DeGroot, both of whom hold office in the council. Both are active in other organizations and have the responsibility of caring for a home and family.

Application forms are now available and can be obtained through the counselors at each high school. The forms are to be filled out and returned to Muller by March 31.

Under the supervision of veteran Navy petty officers, they are receiving instructions in naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sensory duty.

Boy Scout Sunday, many of the Cubs and their parents, as a group, visited the Faith Baptist Church in Farmington.

The S. S. Kres Company, Farmington Plaza, permitted the group to display the achievements and advancements in which Abby Kelley was displaying during Boy Scout Week.
