PTA Council To Sponsor Play

"Aladdin and His Wonderful Lamp" will be in Farmington on April 23, thanks to the Farmington Area Council of P.T.A. and the Wayne State University Players. This well known children's play will be given at the East Junior High School, located on Middlebelt Road between 9 and 10 Mile Roads, at three performances, 10 a.m., 1 p.m., and 3 p.m.

Tickets are 50 cents each and will be sold at each elementary school one week prior to the performance. Mrs. Alastair Mac Lennan, chairman of this project, will be in charge of ticket sales and arrangements for the play.

Parents may be interested to know that most of the proceeds from this annual fund-raising project are used for scholarships to deserving high school pupils at both senior high schools in Farmington. In 1965, four scholarships were awarded.
