

GOP Women Host Gable, Authority on Incorporation

Farmington area residents heard Dr. William R. Gable of the University of Michigan discuss "City Incorporation and the Annexations" on March 15, at East Junior High School. Dr. Gable, assistant director of the Institute of Public Administration and an associate professor, was co-sponsored by the Republican Women's Organization of Farmington and by the U. of M.

Dr. Gable noted that Farmington is experiencing the growth that has now placed 70 per cent of Michigan residents in urban areas. As this trend transforms once-rural areas into urban communities, it creates many problems of change.

Pack 45 Holds Award Assembly

Cubscout Pack 45 held an awards assembly recently and the following boys received recognition for their progress in scouting: Dennis Miller, bobcat badge; Robert Roberts and James Ethorne, gold and silver on lion badge; Don Glynn, gold on arrow; K. Schooley and Ron Deadman, danner stripes; D. Fair and R. Stewart, one-year pins; B. Stratton, D. Johnson, H. Smith, and R. Petty, assistant denners; Harold Oliver, and D. Johnson, silver arrow on wolf; Pat Haugh, golden arrow on wolf and danner stripe.

Welcomed into the Webelos were: Thomas Prochaska, Michael Houser, Doug Harrington, Raymond Williams, Brian Robinson, James Ethorne, and Robert Roberts.

Officers of the pack are: institutional representative and chairman, Russell Cain; secretary, Robert Deadman; treasurer, Bruce Bahrmeh; membership, Jack Hlabner; advancement, Dale Hill; activities, Richard Stewart.

Pack leaders are: Cubmaster, William Corliss; assistant cubmaster (Webelos), Stephen Baranyi; assistant cubmaster, Fred Imus; den mother (2), Pat Schooley; den mother (2), Jessie Corliss; den mother (8), Eleanor Fair; den mother (10), Marian Glynn; den mother (12), Gloria Wagner.

Any boys between the ages of 8 and 10 1/2 at Cloverdale or Lonsdale Schools, interested in joining the pack, are invited to call Jack Hlabner at 474-7222 evenings after 6 p.m. The pack is sponsored by First Methodist Church, and has its monthly pack meeting at Cloverdale School.

Columbian Squires Host Queen's Ball

Columbian Squires will hold their first annual Queen's Ball on Easter, April 10, from 8 p.m. to 12 midnight at the Knights of Columbus Hall, 21900 Middlebelt Rd. Tickets will cost \$1.00 and \$1.50 per couple and may be obtained from any Squire of Circle 1811 with a limited number available at the door. Dress will be semi-formal.

A queen will be selected that night and will receive an award. Those who would like to enter the royal competition are requested to send the appropriate information to Chuck Koller, 33230 Raphael.

The Farmington League was represented by Mrs. E. Heumann, Mrs. H. Voorn, Mrs. S. Grabowski and Mrs. R. Griniger who met with legislators Raymond Baker and Albert Kramer for luncheon in the Capitol City last Thursday.

The need for county home rule headed the list of topics of interest to League members. Mrs. Robert Forch; Dearborn, President of the League of Women Voters of Michigan, presented other topics which included improvements in welfare laws, pre-kindergarten education and day care programs and gave up-to-the-minute information on bills that the 1966 session of legislature will be acting on.

A 300-GAME BOWLER at Bel-Aire Lanes received his award last night. He is (L to R) Bel-Aire Manager Irvin Watson, Bob Johns who rolled a 298-game, Ray Pomaville (300-game) and Dan Schemanske, representing the Greater Detroit Bowling Proprietors Association. Pomaville, who bowls for the All Machinery Team and is a 1950 average, was presented with a diamond ring, a 300 game lapel pin and a bowling pin with his picture on it. Johns bowls with the Ed Johns Builders Team and earned a diamond ring from the American Bowling Congress.

Township Board

Continued from page 1

for transfer of funds to revolving fund. APPROVED.

Consideration of approval for transfer of funds to Township Public Building Fund. APPROVED.

Consideration of approval of new precinct changes. APPROVED.

Consideration of approval to enter into contract with the U.S. Army Corps of Engineers. Re: Clearing and snagging project for six-tenths of a mile of the Rouge River in Section 35. APPROVED.

REPRESENTATIVES from Superior Ambulance Service were at School's Board meeting to request the Township to increase its present subsidy of their operations in the Township in regards to police emergency calls from \$300 per year to \$400 per month.

Farmington Township Supervisor Curtis H. Hall appointed a three-man committee of Board Trustees to study the merits of the proposed increase and report back their findings to the Board. Appointed to serve on the Ambulance Service Committee were Thomas A. Duke, Mrs. Elise P. Avery and Thomas R. Nolan.

The \$300 subsidy paid by the Township last year to Superior to help back their findings requested by Township Police at the scene of accidents and other emergencies. The Ambulance company reports payments for their services on one out of every five such calls is "unrecoverable". They estimated making an average of 31 such calls each month. The Township Police Department.

One of the persons killed by Superior Ambulance was reported to have said, by the representative at Monday night's meeting, "You can whistle for your money. It would have been cheaper for me to take a taxi."

Superior Ambulance spokesman said costs for maintaining and operating a vehicle in the Township runs 85 cents per mile or about \$600.00 per year. He also said Birmingham pays \$500 per month for their services and national figures for similar services to municipalities run between \$500 and \$1,000 per month.

SUPERVISOR HALL reported the Oakland County Road Commission has completed its latest assessment of last year's rash of basement flooding (Christmas Eve 1964) in Kendallville Subdivision. The report states lowering of culverts along Kendallville Drive north of 12 Mile Road should correct the situation in conjunction with regular ditch cleaning operations. Hall said he was in contact with officials of the Farmington School District which owns some of the property involved and is hopeful the culvert operation and cleaning can be arranged under a mutual cost sharing agreement.

Also on drainage matters, Trustee Earl Oppertbauer gained support from the Board for a resolution on policy for the Township Planning Commission. The directive calls for the planners to give consideration to natural ponding areas in the Township in future plat developments and credit such areas, under approval of the Township Engineer, towards the Planned Unit Development open space requirements, in order to lessen if not eliminate any need for storm sewers in the future.

OPPERTBAUER, said retention of natural ponding areas in future developments would eliminate costly storm sewer projects in large measure and at the same time provide land for recreational and park use under the Planned Unit Development formula.

The first public hearing on necessity for sanitary sewers in the Grand River Crest subdivisions has been set for Tuesday, April 26, at 7:30 p.m. in the Township Hall.

A meeting set for March 31 for Township officials and the Michigan Water Resources Commission regarding abatement of raw sewage discharges into the Rouge River is expected to note the progress towards establishment of sanitary sewers in this area. It was pointed out by Supervisor Hall. Since the "main offenders" are in the process of getting a permit assessment order established, "we probably won't even get our wrists slapped" at the Water Commission meeting. SUPERVISOR HALL reported the cost estimate from Pate,

Hirn and Bogue, The Township's firm of consulting engineers, for the construction of sewers to serve a portion of the Industrial Park areas in Sections 29 and 30 has been given at \$101,800. The Board decided to table any action on a proposal from Fullmire, Inc. until such a time as further information can be made available to all participants involved in the request. Fullmire, Inc. plan a 15,000 square feet located on Halted Road just south of Grand River Avenue in the Township, is interested in expanding its plant an additional 6,000 square feet and needs the sewer lines before this can be done.

The Board authorized the taking of bids on construction of 11 connections to the Farmington Sanitary Interceptor Sewer on Eight Mile Road in Section 35. It is expected money will be the Interceptor Fund can be borrowed against to finance the cost of construction. Approval is necessary from the Oakland County Board of Public Works.

Township Treasurer, Mrs. Elise P. Avery, and Township Board Trustees Thomas A. Duke and Thomas R. Nolan will attend a special Regional Conference called by Governor Romney April 13 in Pontiac on local government. A letter detailing the Governor's conference was read at Monday night's Board meeting.

THE BOARD ALSO approved setting the date of April 13, 14 and 15 as "Cancer Control" days in the Township. An extensive educational campaign will be put under way during the April Cancer Control Month by volunteers. Literature and a questionnaire on health habits shall be distributed by volunteers in the Township on the three days. No collection of funds will be made it was pointed out in the letter from Mr. Marian Lam.

Other communications received by the Board at Monday night's meeting included thanks from the Kimberley Association for the help their members received from the Township Assessor's Office and notification from the local veterans organization on plans for the Memorial Day Parade scheduled May 30.

Junior Miss

Continued from page 1

New York's Joan McManis of New York City.

Third runner-up, \$2,000—Mississippi's Billye Johnita Harris, Jackson.

Fourth runner-up, \$2,000—Illinois' Kathryn Benysh of Rosemont.

FINALISTS AT THE American Junior Miss Pageant will have a double motivation in capturing the color and drama of the major pageant event on film this year.

In addition to acquiring a picture record of a highlight in their young lives, the 50 state winners will have a chance to win \$1,000 college scholarship to be given to the girl who carries the most outstanding photographic diary of her experience during the Pageant.

The award was announced by Mr. Paul Herson, president of the Master Photo Finishers and Dealers Association, sponsor of the photo album contest. This is the first such competition in the history of the Pageant, according to Ray C. Lauten, executive vice president, American Junior Miss Pageant, Inc.

Each finalist will be given a special Pageant photo album with a number of categories for color photos of major events in connection with the Pageant. The girl with the best overall color print collection will be crowned Junior Miss.

New Home Destroyed By Township Blaze

A house under construction on Raleigh Road in Lincolnshire Township was totally destroyed by fire on March 24 as a workman's rubbish fire licked flames onto the house in high winds.

April Cancer Crusade

Mrs. Howard Wiley, 32009 Wayburn Drive, has recently been appointed crusade chairman for Farmington Township. She would welcome a call from anyone willing to assist in distributing this worthwhile information among their neighbors. Her telephone is GR. 4-6543.

Architects Chosen For New Elementary

Appointment of Ralls-Hamill-Becker, architects, for construction of the new elementary school in Section 4 was confirmed by the Board of Education at their meeting on March 28. The firm is located at 15222 Farmington Road, Livonia.

F. Gene Ralls was present to accept the assignment and to complete negotiations on the contract.

NBD Sponsors Clinic on Loss Prevention

More than 40 area businessmen were guests Tuesday, March 28, of the National Bank of Detroit for the first area Loss Prevention Clinic designed to help prevent the loss of funds in the owner or manager's place of business.

NBD-Farmington Vice President Byron Lapham said the purpose of the Clinic was "to do everything we can to help the businessman in our community to prevent cash losses either through errors in handling cash or through fraudulent check passers or counterfeiters."

"What we are really trying to do is present an educational 'short course' to help the businessman protect himself against these kinds of losses."

"MANY BUSINESSMEN in our community have asked for help on these problems and we feel we can make a valuable contribution with this program," Lapham said.

Participating in the Clinic presentations were Mr. Lapham, Branch Manager John Chapman, Sgt. Robert P. Deadman of the Farmington Police Department, and Leonard Ciolek, assistant branch manager.

An NBD spokesman said a series of such Loss Prevention Clinics is planned throughout the year in NBD neighborhood and community areas.

A FARMINGTON MAN in the truck driving program at Highland Park Community College is Edward Medelis (right) of 23541 Loomis Court, shown with Edward Jenkins, range and classroom instructor, in the four-week course in heavy-duty and light-truck driving. The program, operated under the Manpower Development and Training Act, provides each of the 22 students enrolled in

the course 160 hours of classroom instruction and actual operation of six trucks donated by Chrysler Corporation. Classroom work includes instruction in proper attitude and courtesy on the highway; local, state and federal truck driving rules and regulations; highway safety; first aid; and proper bookkeeping methods.
