SECRETARY-WRITER
PART TIME
Somewhere west of Telegraph, there must be a gal with strong writing skills who would like a part-time job with a brand new advertising agency. Chances are the woman we're seeking has had advanced courses in English and/or Journalism although it may be that her only claim to writing fame was as editor of the school newspaper. She must be an accurate typist because most of the work will be secretarial but we would gladly trade speed on the typewriter for some ability to write a release. There are some real advantages for a woman who doesn't want to work full time. She can name her own daytime hours (minimum of 15) and the salary is open.
If you know such a person, ask her to call Mr. Kleplinger at 476-8480.
