Farmington Festival Sited for March

The second annual "Festival of Music" will be presented by the Kiwanis Club of Kendallwood in Farmington Township on March 26 at 8 p.m. in North Farmington High School.

This year's program will bring together top vocal and instrumental groups from the Farmington Schools and other groups participating in the musical talent in the Farmington area.

H. Robert Kull and Dr. Richard Heiden are co-chairmen of the year's festival, while Marjorie Morat will serve as the coordinator. Her assistants are Donald Ross and Lawrence Haver.

Jim Wood will again serve as the master of ceremonies.

Feet Resigns

Dale A. Feet has announced his resignation as chairman of the Oakland County Republican Committee. The resignation took effect immediately. Feet cited the press of personal business as the reason behind his action.

Dick Raisin, executive secretary of the Oakland County Committee, told The Observer that the press of Feet's job at Price-Waterhouse plus the fact that there is a possibility that he will be named to the State Insurance Commissioner post combined to make the decision.

'Guys and Dolls' Group Is Active at YMCA

Recognizing the great need for a social outlet for the handicapped and retarded young adults in the area who are unable to participate in regularly scheduled classes and programs, the Farmington area Y.M.C.A. has again organized the "Guys and Dolls" club.

The YMCA staff have provided a weekly program for the physical and social benefit of these young people. Starting with four young men about a year ago the program has developed into an enthusiastic co-ed group of about 20 young people who would otherwise be deprived of a supervised athletic and social club activity. The Group is now meeting every Monday evening.

Two nights each month the group bowls at the Farmington Lanes, coached and encouraged by Ed Alexander. Other evenings are spent in a diversified program of bayrides, tobogganing, square dancing, swimming and social evenings of just games and talk at the YMCA. A Christmas party and a Valentine dinner party were important occasions.

Through the YMCA the Club has received valuable assistance from "Cy" Manella of the Bedford Township school system in swimming and baseball and from Miss Peggy Frase, a
