

Money at a Discount Attracts Thousands Of Bargain Seekers to Wonderland Center

Thousands of "money-buyers" who apparently know a bargain when they see one, jammed the Wonderland Center when it was held at 10 a.m. Tuesday, February 22.

WILLIAM FARWELL, 30408 Minton, Livonia, re-finished by NuWay Auto Painting, of Garden City, was sold as a highlight of Wonderland Center's Washington's Birthday sale.

Area Red Cross Workers Attend Disaster Clinic

In spring the Red Cross thought to turn to... tornadoes. Not knowing when or where they might strike, Red Cross is always "on the alert," prepared to serve coffee and sandwiches, set up emergency shelter, and to aid with long range planning if the damage is extensive. Last year Red Cross nationally, spent 146 per cent of every dollar on disaster aid.

FILL 'ER UP—Clarence Lee (left) of 9300 Gillman, Livonia, collects the first of 100 gallons of gasoline he will receive for just 22 cents at Montgomery Ward's Auto Service Center, Plymouth at Middlebelt. Lee's entry was selected at a drawing held in conjunction with Wonderland Center's Washington's Birthday Sale.

ASC's Board Okays 3 for 2 Split
New York—Directors of Associated Spring Corporation, Bristol, Conn., meeting here proposed a 3-for-2 stock split, declared the usual cash dividend of 35 cents per share on the present shares and announced their intention to increase the dividend in the next quarter if the split is approved. The corporation has a plant in Plymouth, Mich.
The split proposal for ASC's common stock will be presented for shareholder approval at the annual meeting April 6. If approved, it will become effective April 7 and certificates for the additional shares will be distributed no later than April 29.
Associated Spring common currently has a \$10 par value. There are 2,500,000 shares authorized and 1,133,052 shares outstanding. Approval of the split will decrease par value by one-third and increase the number of authorized and issued shares by one-half.
A first quarter cash dividend of 25 cents per share was declared on the present stock, payable March 10 to shareholders of record March 1.
Directors announced their intention to declare a second quarter dividend of 25 cents on the split stock, a 7 per cent in the present rate. If shareholders approve the split proposal.

View Teachers Work

Rose's entry is a lady's yellow gold ring, set with a pear shape blue sapphire. The exhibition will continue at the Institute through March 20.

First to make purchases were four teen-age girls who had spent the night at Wonderland. The girls, two from Livonia and two from Dearborn, slept at the mall to make certain they were first in line. Each of them bought 100-dollar bills for \$75.
Richer by \$22 were Karen Grady, 24151 Oxford, Dearborn, Marie Kaseta, 822 Oakwood, Dearborn, Pat Yankovich, 9144 Brentwood, Livonia, and Maureen Leaman, 29927 Robert Drive, Livonia.
The fifth \$100 bill was bought by John Betsinger, 46537 Eos road, Belleville. Betsinger started his long wait at 2 a.m., eight hours before the sale started.
In all, 815 bills—including singles, fives, tens, twenties and fifties—were sold. The last bill was purchased at 6 p.m.
The exchange resulted in a "loss" of \$1,100 to the Center, according to Ernie Epps, promotion and advertising director. Here's the complete list of persons who purchased Wonderland Center's "22-cent specials."
1939 STATION WAGON—William Farwell, 30408 Minton, Livonia.
PORTABLE TV—Mrs. Betty Spraul, 12096 Rockland, Redford Township.
100 GALLONS OF GASOLINE—Clarence D. Lee, 9300 Gillman, Livonia.
BOY'S BICYCLE—Mrs. Frances Rex, 34033 Blackfoot, Wayne.
PAIR OF SKIS—Dale W. Maus, 28078 Westfield, Livonia.
In each instance, winners' names were chosen in drawings made by persons selected at random at Wonderland Center.
