### Bud Guest Visits Compton Village

Bud Guest will bring "Sunny Side of the Street" to Livonia, March 22 at 8 p.m. at Adams School. He will be the guest of Compton Village Civic Association.

Following Bud Guest on the program candidates for Livonia mayor, municipal judge, city clerk and city council will give brief views and answer questions.

Bill Hodges, president of the Compton Village Civic Group, said "I take this opportunity on behalf of the Compton Village Civic Association to welcome our candidate night meeting our neighbors from Buckingham Village. On March 23 we have an opportunity for those interested in the government they live under and support to meet and question the candidates for city office. To sit home and criticize your city government without taking this opportunity to find out more about the platforms and feelings of these candidates brings to mind Abraham Lincoln's famous quotation "People deserve the government they get." Let's see an exceptionally large turnout for the March 23 meeting so that we will be those who care about good government."
