

One Dies; Five Injured on Farmington Roads

A person was killed, five people were taken to the hospital, and two separate fires in autos occurred this past week as the result of four separate accidents in the City of Farmington and the Township.

Killed was Robert H. Markham, 36, of 22216 Canfield, Farmington. He was injured in an accident March 12 on 10 Mile Rd. just west of Middlebelt and died at Botsford General Hospital a few hours later.

The accident, which involved three cars, occurred when Markham's vehicle struck another car parked by the side of the road which in turn struck another car and drove it into the ditch.

Slightly injured in that accident were: Frederick C. Imus, 47, of 23912 Whitaker, Farmington; Clayton N. Currah, 48, 29708 10 Mile, Farmington; Loraine E. Carr, 29, 31525 Myrna, Livonia and Barbara Harriman, 35, 31525 Myra, Livonia.

Stop Car, Find Boy Joyriding

Officer Alan P. Watson noticed a 1965 Mustang traveling east on Grand River in the city of Farmington at 11 p.m. March 12 while on patrol. He thought that the car was being driven strangely and noticed that the driver looked young.

He therefore stopped the car and asked to see the driver's license. The driver, a 15 year old Farmington Township youth, confessed that he didn't have a license and had taken the car to go joy riding.

The auto belonged to another resident in Farmington Township for whom the youth was supposed to be babysitting. Watson took the youth to the City Police Station and found a neighbor woman to care for the four children the youth had left unattended.

He notified the youth's parents and turned the boy over to Township juvenile authorities.

Farmington Sen. Citizens Are Four!

The Senior Citizens Social Club of Farmington celebrated its fourth anniversary at a dinner followed by entertainment at the Danish Inn March 8.

Officers of the club were seated at the head table decorated by a center piece of pink and white mums. The color scheme was carried out at each of the tables where the members sat.

Pat Flowers provided the entertainment during the dinner. Richard Bloch, a U. of M. law student played several cornet solos. Following the dinner all joined in a sing along session.

Markham's death marks the second traffic fatality of 1966 for Farmington Township.

Markham's vehicle was involved in another accident about an hour later when the tow truck was taking the auto to the garage. At Middlebelt and Grayfield a car driven by John A. Francel, 21209 St. Francis, Farmington, struck Markham's car which became dislodged from the truck.

Both cars then caught fire and were destroyed by the combined forces of the City and Township police.

Friends and a passenger in the car, George Algar, Jr., 20, 22600 Middlebelt, Farmington, were both taken to Botsford General Hospital from that accident.

The driver of the tow truck, Martin Belcher, 55, of 21324 Jefferson, Farmington, and a passenger in the truck, Evert Denny, 48, of 20808 Pearl, Farmington, received minor injuries.

In another accident in the Township Gerald M. Hoffmeyer, 50, of 20108 Antago, Livonia, was taken to Botsford General Hospital a car which was driven by Roy E. Chestnut, 30, of 8812 Middlebelt, Livonia at Shlawaase and Middlebelt on March 14.

According to the Township Police report Chestnut was stopped waiting for traffic to clear when Hoffmeyer's auto struck him in the rear.

In the City Patricia A. Greene, 23, of 22437 Springbrook, Farmington, and David K. Greene Jr., 1, of the same address were taken to Botsford following a collision at Grand River and Powers Rd.

Ronald W. Erickson, 25, of 29231 Pickford, Livonia, told police that he was driving in the left hand lane going west on Grand River when Erickson pulled in front of him. In order to stop he slid into the eastbound lanes and struck Greene's car which was driven by David K. Greene, Sr.

Following the accident the gasoline tank on Erickson's car ignited. The fire had been extinguished, however, by a witness David Glatfelter of 33657 Rhonwood, Farmington, when police arrived.
