Thomasina McAn?

Actually this butter yellow slipper is by Thom McAn. But, like all of our women's shoes, it's so pretty. Its leather is so soft. Its lines are so delicate. It looks so cute in other colors, like ice cream pink, pale beige, lily white, newport navy and licorice black patent. We just couldn't call it Thom McAn. Thomasina is really more like it. And she only costs \$5.99.
