

# Scouts To Join In Area Program At State Fairgrounds

Hundreds of Scouts and leaders from this community will take part in the huge "Scout-O-Rama '68" show to be held at Michigan State Fairgrounds on June 3-4-5. Local Scout leaders have been busy for the past several weeks getting together the hundred-and-one things needed to put on an outstanding exhibit of Scouts-in-action at the show.

Nearly 20,000 boys and leaders will take part in staging the big indoor-outdoor exposition. Many of the major buildings at the Fairgrounds will be used, including the Coliseum, the Dairy and Agriculture Buildings, and the new Community Arts Building.

Some of the main features will include Cub-O-Rama, with dozens of packs staging continuous shows; Trail-O-Rama, with all its cooking demonstrations (and plenty of "free" samples for visitors); camping and outdoor Scout skills; Road-O-Rama will feature a drivers course where anyone with a drivers license can take part in a driving event that tests reaction time and the driver's skill; Explor-O-Rama will feature an opportunity for the public to see themselves on TV, and a real live Hootenanny on Sunday afternoon.

Indian-Rama will have authentically clad Indians performing age-old ritual dances.
