The General Electric Company warrants its new 15" color TV, "The Portable Color TV," for one year or 1000 hours of operation, whichever comes first. This warranty covers the entire TV set, including the picture tube, and is not voided by use of optional accessories. The warranty does not cover the picture tube, which is covered by a separate warranty. The warranty is void if the TV set is used for commercial purposes or if it is damaged by fire, flood, or other causes beyond the control of the company.
