The date for our annual summer picnic has been set, it will be Sunday, August 11, and it will be at the Carlsons', 2880 Wellington. The Carlsons suffered considerable wall damage, too, with our two floods, but they are working hard to have everything in perfect condition for this occasion. It is always a wonderful affair so get your calendar marked at once.

VERN AND GRACE Fisher spent a long 4th of July holiday week in Jackson at the Holiday Inn. Vern went down on Sunday, Grace followed on June 30, for the five-day horse show at the Waterloo Hunt Club.

This club is a member of the American Horse Show Association so attracted visitors from many states, even as far away as Texas. Many of these horses had been at the Bloomington Open Hunt Club earlier this year. In all, more than 100 horses participated in the many events held. The Fishers returned home on July 7.

Their daughter, Nancy Franzini, with her three children, has been living here with her parents for the past eight months. Her husband, Jim, has been an engineer working for our government in Thailand. Nancy went over with him but returned home to be here when her third child arrived. They had rented their home in Detroit, but it was vacated so Nancy was able to move into her own home on July 10.

DAVE AND HARRIETT GOLDMAN celebrated their 30th wedding anniversary on July 3. The children and Dave arranged to have 50 to 60 of their friends come to La home of a friend in Bloomfield Hills to make it a big surprise party for Harriett.

Last Sunday the Goldmans had a picnic for 25 of the office force of Dave's law firm. They all enjoyed the beautiful day and a delicious buffet supper.

Albert and Jean Kazak made a 10 day automobile trip the end of June going down through the Smokies, stopping at Gal-lingburg, Tenn. to see the fine handicrafts there, on to Williamsburg, Virginia Beach, Monticello, and home via the Sky Line Drive and Ohio. They had beautiful weather for the entire 10 days.

JUDGE NELSON for DISTRICT COURT

EDUCATION. Robert H. Nelson earned a bachelor's degree (magna cum laude) at the University of Detroit, a law degree at Harvard Law School and a master's degree at Harvard Business School.

EXPERIENCE. For the past thirteen years he has practiced law in Oakland and Wayne counties, his office being located in Westbrook Centre in Farmington Township. Judge Nelson began his judicial duties when he took office as township justice on July 4, 1959, and he has held this judicial office ever since, running for re-election in 1963.

Earlier in his life Judge Nelson was an Eagle Scout, an Assistant Scoutmaster, a naval officer who landed in Normandy on D-Day and a Certified Public Accountant in the Detroit office of Pst, Marwick, Mitchell & Co. He is still a C.P.A., although inactive.

ACTIVITIES. Judge Nelson is a member of the American Judicature Society (organized to promote the efficient administration of justice), a member of the Michigan and Oakland County bars and has been admitted to practice before the Supreme Court of the United States.

He has been a member of various professional committees and has had two professional papers published in national journals, one of which was republished in a book put out by McGraw-Hill.

Judge Nelson is a member of the Northwest Traffic Safety Committee (serving southeast Oakland County, including Greater Farmington). He served on the Greater Farmington Youth Guidance Committee (1959-1964).

Besides working in the Normandy Hills Ass'n, the Kendallwood Ass'n and the former Farmington Twp. Civic Ass'n, he served as the secretary, and then as the president, of the former Farmington Twp. League of Subdivision Associations. He assisted in the organization of the Briar Hill Ass'n, the Franklin Forest & Fairway Ass'n, the Holly Hill Farms Ass'n, the Orchard Meadows Ass'n and the Westbrook Manor Ass'n.

Starting in 1964 Judge Nelson has been active in efforts to encourage and restore the celebration of the Fourth of July, in order to help younger generations achieve a better appreciation of our American heritage. The Kendallwood I and Colony Park committee is very pleased that for their celebration this year he received an acceptance, as Fourth-of-July orator, from the senior United States Senator from Michigan. Last year's was the Congressman from Michigan's 19th District, and an Oakland County Circuit Judge before that, so there's been help from high up as well as from many local people.

FAMILY. Judge Nelson's family consists of his wife, Sib (for Sylvia, somehow), and their 12-year-old daughter, Ingrid.

Farmington's present lower-court system of justice and municipal courts is being altered next January into a lower-court system which was rushed into law at the last minute but which nevertheless will be a great improvement, especially for ordinary citizens before the court, that is, if certain aspects can be ironed out and it can be made to work with Judge Nelson with his qualifications. feels this can be done, so if you want to keep him on the scene, look for

ROBERT H. NELSON

on the non-partisan ballot for district judge, Tuesday, August 6, 1968.
