Laxative for Women Free

There is a great difference in the
purposes to which a laxative should
be put. Tablets and pills, salts, etc.,
are usually violent purgatives or
cathartics, and altogether too power-
ful for the average person.

A woman at all times needs only
a mild laxative—in fact, none other is
needed by anyone, weak or strong, though
they may be for the object is simply to
move the bowels, and if a gentle laxative
will do it, what is the use of a violent
one?

Dr. Caldwell's Syrup Pepsin has earned
a well-deserved vogue among women and
children and old folks—people who must
necessarily be careful of what they take.
It is a liquid laxative tonic and ad-
ministry by the greatest stomach, liver and
bowel remedy before the American people.
as it comes in both sizes, and all drug-
gists sell it. Its pleasant taste and gentle
action make it an ideal remedy for women.
In constipation, torpid liver, sour stom-
ach, headache, heartburn and much
like digestive complaints, its use for a
short time will remove the trouble en-
tirely so that future medication will be
unnecessary. Its tonic properties build up
the stomach and intestinal machine so
that they act naturally again. That this
is so is the experience of many heads of
families, like Mrs. Brannen of Alvarado,
Cal., Mrs. L. Stout of Louisville, Ky.,
and numerous others; in fact, way out in
California, Cal., as Mrs. E. B. Blackmore,
of that place, writes, the whole town
seems to be using it.

If the remedy is new to you and you
want to make a trial of it before buying,
send your name to the doctor's address
as below and a free trial bottle will be sent
you. Then if results are satisfactory
you can buy it of your druggist.

If there is anything about
your ailment that you don't
understand, or if you want
any medical advice, write
to the doctor, and he will
answer you fully. There is
no charge for this service.
