

Thomas Poyer, C.S. To Speak Aug. 15

"Your Community and You" is the title of a Christian Science public lecture on Monday in Detroit.

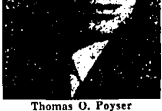

Thomas O. Poyer, C.S., will discuss how a spiritual dimension of thinking can bring better solutions to individual and community problems.

The event is being sponsored by Fifth Church of Christ, Scientist and will take place at 8 p.m. in the Church Auditorium, 17425 Second Boulevard.

Mr. Poyer was once manager of a business firm in Dallas, Texas, but resigned in 1952 to devote full time to the Christian Science healing ministry.

He is a graduate in engineering of the University of Michigan, and received the Bronze Star for service in the United States Army Air Corps during World War II.

He is currently on tour as a member of the Christian Science Board of Lectureship.

Birthday Cowboys Enjoy Simple Game

As a center piece for a boy's party with a cowboy theme, paint a ham can white with a black spot or two and then paint a steer face on the front.

Glue on black paper ears. Stand erect with stick of wood on back where ears should go, mount on a side table and let youngsters toss jar rings over dowels.

'Soul' is Subject in Sunday Sermon

"Soul" is the subject of the Bible Lesson-Sermon to be read in all Christian Science churches this Sunday.

The Golden Text is from Deuteronomy — "The Lord your God proclaims you, to know whether ye love the Lord your God with all your heart and with all your soul."

Readings from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include this explanation: "The Divine Being must be reflected by man, — else man is not the image and likeness of the patient, tender, and true, the One 'altogether lovely'; but to understand God is the work of eternity, and demands absolute com-

secration of thought, energy, and desire."
