

Schoolcraft Trustees Approve Funds for Buildings

Trustees of Schoolcraft: funds totaling \$1,527,911 for the first phase of the 1966 building program when they authorized appropriations of \$2,283,078.

The college's share of the costs of the first portion of the program will come from the sale of a \$3 million bond issue approved by district voters on June 13.

Major project in the initial phase of the program is construction of a new classroom building at the south end of the campus. Of an estimated cost of \$1,236,000 for the 32-classroom structure, Schoolcraft will receive a federal grant of \$358,900 under the Higher Education Facilities Act of 1965, and \$219,614 appropriated by the state. Both the federal grant

and the state appropriation have been approved. The classroom building will contain a 170-seat lecture hall designed to serve as a small theater for musical and dramatic programs. Construction is expected to start early in 1967.

Trustees also authorized \$89,000 in planning funds for a proposed physical education plant. Architects are now preparing preliminary drawings on the building, which will include main and auxiliary gymnasiums, a swimming pool, handball courts, remedial areas, and other physical education facilities. Schoolcraft officials expect to start construction early next fall.

Other projects funded by the trustees were: Remodeling of the Forum Building, the initial classroom building. Cost of the project is \$119,775, of which the state has contributed \$37,500. Equipping the new Vocational-Technical Building and the new Waterman Campus Center; and purchase of instructional equipment and maintenance staff vehicles. Total budget: \$707,300, of which \$138,150 is reimbursable from federal funds.

Site improvements, including hard surfacing the north student parking lot, development of roads and sidewalks, landscaping and signs. Total cost: \$11,000, of which \$3,000 was received as a gift.

Other projects in the 1966 building program, but not yet funded by the trustees include construction of the physical education plant, remodeling of the library and administration building, installation of utilities, storm sewers and drains and development of additional student parking areas on campus.

The following student teachers have been assigned to the Plymouth School District: Bird: Cecilia Lorenger, grade 3 with Mrs. Jane West; Susan Noel, grade 4 with Mrs. Elisabeth Sheldon; Martha Rupert, grade 2 with Mrs. Myrtle Read; Evelyn Trabslisky, grade 1 with Mrs. Dorothy Miller.

The student teachers working in the Livonia schools will meet with their cooperating teachers for an all-day general meeting on Sept. 6.

The same day, the Plymouth student teachers will attend the General Meeting for all Plymouth teachers at Plymouth Junior High School. In the afternoon they will attend the staff meeting at Bird School.

On Sept. 7, administrators, cooperating teachers and student teachers will participate in an orientation tea at the Madonna College Residence Hall at 2:30 p.m.

Supervisor of the elementary school teachers is Mrs. Nancy Tanger, former principal in Plymouth, and now a Madonna College faculty member. Sister Martin, CSSF, is the Coordinator of Secondary student teachers.

Congressman Tops in Votes, Election Funds

Expense accounts submitted by candidates in the 13th Congressional District's Democratic primary race show that incumbent William D. Ford is a winner at the polling place and the bank balance.

Ford, serving his first term in Congress, showed a \$1,676.25 balance from his successful primary election race which saw him defeat challenger James Costello, Garden City drugist.

Costello, besides being whopped by a 5-1 margin in the Aug. 2 primary, also reported campaign expenses of \$3,597.50 while getting donations of only \$163.

The winner, who had 31,693 votes to his opponent's 6,118, reported expenses of \$8,001.43 with income from various dinners and testimonials totalling \$9,677.95.

Ford gained \$1,188.25 from a party in his behalf, and \$8,489.70 from the testimonial dinner held for him in early May. On his expense sheet, Ford's committee treasurer Theodore Monodis listed a food bill of \$1,453 submitted by Garden City restaurant owner Gene Salvatore.

Costello's expenses, as did Ford's, concerned signs, sales promotion devices, news-
