

Farm Products Show Is Hit at Festival

James Sayre, of Belleville, and Clyde Smith and sons, of Livonia, shared top honors in the first farm produce show sponsored by the Plymouth Rotary Club as an added feature of the annual Fall Festival.

Sayre won first in the muskmelon, third in sweet corn and Wheelbarrow Load of Vegetables and a second in the Gourd Collection.

Smith took a blue ribbon in the Gourd Collection, and for the largest squash and second places in Indian Corn, Wheelbarrow Load of Vegetables along with a third in the muskmelon competition.

The contest, under the direction of Wilford Bunney and Don Lightfoot, attracted an amazingly large entry list. The co-chairmen were pleased with the entry for the first attempt and indicated it would become a part of all future Fall Festivals.

The contest results:

INDIAN CORN—Mrs. Marvel Kari, 81 Road; second, Clyde Smith and sons, 805 Newburgh Road; third, Roy Schultz, 755 Lundy Road.

TALLEST CORN—Mrs. L. C. K. Kari, 81 Road; second, Roy Schultz, 755 Lundy Road; third, James McGraw, 4587 Warren Road; fourth, Russell McGraw, 4587 Warren Road.

WHEELBARROW OF VEGETABLES—Clyde Smith, 805 Newburgh Road; second, James McGraw, 4587 Warren Road; third, James McGraw, 4587 Warren Road; fourth, Russell McGraw, 4587 Warren Road.

30Y BEAN—Mrs. L. C. K. Kari, 81 Road; second, Roy Schultz, 755 Lundy Road; third, James McGraw, 4587 Warren Road; fourth, Russell McGraw, 4587 Warren Road.

GOURD COLLECTION—Clyde Smith, 805 Newburgh Road; second, James McGraw, 4587 Warren Road; third, James McGraw, 4587 Warren Road; fourth, Russell McGraw, 4587 Warren Road.

MUSKMELONS—James Sayre, 805 Newburgh Road; second, Clyde Smith and sons, 805 Newburgh Road; third, Roy Schultz, 755 Lundy Road; fourth, Russell McGraw, 4587 Warren Road.

Vivian Accepts Applications for Service Schools

U.S. Representative Wes Vivian announced Monday that he will accept applications for appointment to the United States military service academies up until Oct. 31.

Men who wish to apply for admission to the academies in the summer of 1957 should write for application forms immediately to:

U.S. Representative Wes Vivian, U.S. House of Representatives, Washington, D.C. 20515.

Upon receipt of completed applications and other required information, Congressman Vivian will schedule the applicants for Civil Service examinations, to determine whether they can qualify for nomination.

Announcement of nomination will come next January. Vivian has said that, as last year, he will again make appointments actually being made by the respective academy admissions officers.

THE ROCKETS from John Glenn High School in Westland donned their dress uniforms for the first time last week and performed for the faculty ceremony held the last day before the opening of the new school year. The band, under the direction of David Wickham, acting co-

ordinator of instrumental music, played musical selections for the teachers. Talks were given by school superintendent Harry Howard and Dr. Carl H. Gross, chairman of the secondary education and curriculum department at Michigan State University.

Evans Signs Agreement In Rail Fastener Field

Evans Products Company has signed an agreement with Lockspike Ltd. of London, England, licensing Evans to manufacture and sell "Pandrol" rail fastening clips in the United States and Canada. The "Pandrol" clip is standard on British railroads and is widely used in eighteen other countries.

The "Pandrol" clip is a resilient rail fastener manufactured from high quality silicon-manganese heat-treated spring steel. It is used with wood, steel, or concrete ties. The clip is applied parallel to the rail and is driven and removed with an ordinary spike maul.

No special tools are required. There are no nuts or bolts and consequently no periodic inspection for bolt-tightening is needed. The clip is designed for simple resilience and to resist rail creep in both directions. It is said to be ideal for use with long welded rails.

The company says the addition of rail fasteners to Evans' line of products is a programmed step in broadening the Company's railway equipment business, which includes the manufacturing of rail cars and of a variety of rail damage-prevention devices.

A spokesman said one rea-

Rep. Vivian Asks Report On Expenses

U.S. Representative Wes Vivian has introduced H.R. 17574 in the House of Representatives to require full disclosure each year by each Member of Congress, as well as by each top official of the Executive Branch of the Federal government, of his income for the year and his financial assets.

Vivian placed in the Congressional Record a financial statement, listing his income and assets for calendar year 1955. Vivian stated, "It will be my practice, as long as I am privileged to serve the people of the Second Congressional District of Michigan, to file such a statement annually, whether or not the law requires it."

Board of Education Changes Meetings

Livonia school board meeting will be held on Monday evenings this year instead of alternating Thursdays and Tuesdays as in past years.

According to secretary A. Edward Katz, the regular board meetings, where official business is voted upon, will be held on the first and second Mondays of the month while study sessions or occasional special meetings will be scheduled on the second and fourth Mondays.

"The public is invited to both official meetings and to study sessions," Trustee Katz said.

Festival Pet Show Has Record Entry

Following in the path of every event of the 10th annual Fall Festival, the pet show Saturday morning attracted a total of more than 177 entries, largest ever according to Director Herb Woolweaver.

And there was more interest this year than ever before, especially on the part of parents. Matter of fact, the pet show was labeled for the kiddies but it was hard to determine whether it was a parent or child exhibiting the pet. Both were hard at it, grinning and doing everything possible to win one of the three ribbons.

There was one consolation for all young exhibitors, each received a free pass for the Penn Theater. The parents had to be content with what prizes their pet won.

We are extremely pleased with the interest this year and Woolweaver, "It certainly is gratifying to see the tremendous interest shown by parents who get right down with their children to make the pets as attractive as possible."

The judging was conducted by a panel of three including Dr. Marion Wehrlein, Dr. Richard Kerchegatter and Bl. Baumgartner.

John Close served as announcer and master of ceremonies and Mrs. Sharon Andrews was clerk of court, recording all entries and prize winners.

The complete list of winners:

"DOGS"
Best Greening—First, Liddle by Martha Crumby; second, Andy Lind; third, Prince, Joe Lind.
Best Behavior—First, Sherry, Jack Post and Judy Brown; second, Boots, Max Tobin; third, Wedget, Debbie Treasman.

Fr. Van Antwerp Takes Charge of St. John's

Rev. Fr. Eugene I. Van Antwerp, son of a onetime Detroit mayor, is the new rector of St. John's Catholic Seminary.

St. John's is the only seminary in Michigan offering the final four years of training before ordination.

Rev. Fr. Edward J. Hogan, rector for the seven past years, will take Father Van Antwerp's place as spiritual director of St. Patrick's Seminary in San Francisco.

Father Van Antwerp was born and raised in the Detroit area. His brother, Daniel is presently a candidate for Records Court, and another brother, Joseph, is the Mayor of Cheboygan.

Ordained a priest in 1942, Father Van Antwerp was the spiritual director of St. Patrick's for the past three years. Before that he was assigned to St. Mary's Seminary in Baltimore for 12 years.

Seminary training resumed Saturday, with an enrollment of 164 students.

Father Van Antwerp is the third rector of St. John's since its opening in 1949. The first was Father Lyma Fenn, followed by Father Hogan.

Do electric dryers really cost less to buy?

Do you really get no-charge service?

Do kids like ice cream?

The answer, of course, is a rousing YES! Model for model, electric dryers cost from \$20 to \$40 less than gas dryers. And every electric dryer is backed by Edison's No-Charge repair service. No charge for any electrical parts. No charge for labor. Edison is the only utility company in this area that offers no-charge repair service.

Can you get this kind of worry-free assurance with a gas dryer? Sure—with a manufacturer's repair service policy! But it will cost you up to \$120 over the first five years of operation alone!

One thing more. Edison's No-Charge repair service applies even if you don't buy your dryer from Edison—so long as the dryer is electric and you get your electricity from Edison. And if you buy now from a participating dealer, the low price you pay includes the cost of wiring, if any's needed. So when you add it up, an electric dryer can save you up to \$160 in just a few years. That can keep the kids in ice cream a good long time.
