

Football Event Set For Oct. 8

Dominic Marinelli, competition director for the Garden City Punt, Pass, and Kick event, open to boys between eight and 13 years of age, warns local youngsters that there are only a few days left to register.

"Registrations will close Friday night, Oct. 7," he said, "and none can be accepted later than since we must get everything ready for the program the next day."

Headquarters for the annual event is the local Ford Motor Co. dealership. Registrants must be accompanied by a parent or guardian and no charge or special equipment is needed.

Competitors will face other boys in their own age group in the areas of punting, passing, and place-kicking distance and accuracy.

Local boys will be awarded Medals of Achievement with medals to go to the first, second, and third place winners.

Garden City winners will be eligible to compete in zone, district, division events which lead up to the national finals. The national run-off will be held during the half-time ceremony at the National Football League championship game on Jan. 8 in Miami, Fla.

L.C.C. Methods Irk Westland Council

Westland City Council last week let the State Liquor Control Commission know of its dissatisfaction on the method of acting on applications for liquor licenses.

On a 6-1 vote, the Council agreed not to send a favorable or unfavorable recommendation to the LCC but only to "advise the commission for its notification" of the application to the City Council.

Council President Protem Charles McIlhargy commented that "I hope the LCC gets the message."

Seeking the SDD (package liquor) license at 2101 N. Wayne Road, is the Cunningham Drug Stores, Inc., whose representative urged the council "not to punish" the company for its ill feelings toward the state commission. The firm already has an SDD license for beer and wine.

The state agency's procedure is to ask the local legislative body if they have any objections to the applicant for a liquor license. If the city doesn't answer within 30 days, the state assumes that the city has no objections and considers that in its decision to grant or deny the license.

But since the city council only recommends approval or denial of the license with the state having the final word on it, the city has no jurisdiction over the matter anyway, McIlhargy pointed out.

He urged that a "no opinion" reply be sent to the LCC while Councilman Henry Lundquist commented that "it is hard to believe that the City Council

Picked for Training

Shipman graduated Garden City High School in 1963 and attended an electronics school in Detroit.

District Dems Hold Registration Drive

The Democratic Club of the 15th Congressional District, which includes Garden City and Westland, is in the midst of its voter registration drive which will climax Monday, Oct. 10, the deadline to sign up to vote in the Nov. 8 general election.

John Canfield, Democratic Club Chairman with headquarters at 29417 Ford Road, Garden City, said that "we intend to register as many voters as possible in all of the communities in the district."

The chairman also outlined the party's plans for signing up the unregistered with Fred Bibber, registration chairman for the organization, conducting a block-by-block campaign to reach citizens.

The party aim is to reach persons who are now unregistered, recently moved into the district from other cities or states, and those who have not voted within the past two years.

Concerning the last classification, Canfield said that "what these people do not realize is that all they have to do is phone their city clerks. That way, they will be eligible to vote without going to the city hall."

For others, they many register by going to their city hall, or if an unregistered
