

2 Straight For Sorrows

So far, all's happiness with Our Lady of Sorrows and St. Agatha high schools in Catholic League football wars.

Both teams have gone to the wars twice and each time has emerged with an impressive victory.

Sorrows cleared one of its stiffest tests en route to a divisional championship Sunday afternoon by creaming Orchard Lake St. Mary's, 35-0. The Lakers annually are one of the Second Division powers.

Meantime, St. Agatha which now vies in the Southwest Division, took care of St. Francis Xavier in easy fashion, 19-7.

As a result, Sorrows stands 2-0 in league combat, while St. Agatha has a 1-0 record since its opener was a non-league conquest.

The Sorrows' offense struck for three touchdowns in the first half and added another pair after the intermission.

Flying Dog

(Continued from Page 1)

Sue and Barbara, another sister, and they decided to act. Gail then wrote a note to the Broward County dog pound and offered to pay the air fare "if we can have the dog." It was a long shot in the dark.

But that did it. The dog pound officials figured this was a chance to get the dog a good home and they shipped it, via Eastern Airlines 1st Saturday night. And the three Andrew sisters were at the airport to greet it.

"The minute we saw him," Sue explained, "we said he was almost an exact copy of Duke. We just couldn't believe it."

And as she patted the new member of the family she said, "the airplane fare was \$32.13, but we consider it a bargain."
