Newsboy of Week

Dan Garri, 15-year-old son of Mr. and Mrs. Thomas Garri of 3000 Orchard Lake Road in Farmington Township is this week's Farmington Enterprise "Newsboy of the Week".

Dan is a sophomore student at North Farmington High School. His favorite sport is archery. The hobby that occupies his leisure hours when he's not studying or enjoying his bow and arrow pastime is stamp collecting.

A YEN TO TRAVEL may be accounted for in Dan's stamp collecting hobby. Many interesting places all over the globe can be found represented by the stamps in his collection. This hobby, too, might also have something to do with his ambition after completing his education. Dan would like to someday be a delegate to the United Nations.

Dan delivers the Enterprise Two Marine Privates Finish Boot Training

Marine Privates Ray E. Pitcock, son of Mrs. Lucille G. Pitcock of 28110 Rolcrest, and Gilbert J. Shaw, son of Mr. and Mrs. Calvin J. Shaw of 30743 Grand River, were graduated from Marine recruit training at the Marine Corps Recruit Depot in San Diego, Calif.

During eight weeks of intensified recruit training under veteran noncommissioned officer drill instructors, they learned small arms marksmanship, bayonet fighting, and methods of self-protection. They also received instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

They will undergo four weeks of individual combat training and four weeks of basic specialist training in their military occupational field before being assigned to a permanent unit.

to residents on Pershing, Highview and Greening streets in the Township. He has 84 regular customers on his newspaper route.

The Garri family, which includes Dan and his brother, Paul, has made its home in Farmington Township for the past nine years. Dan's father is employed as a machine operator.

PUBLIC LETTER BOX

To the Editor:

This letter is in support of Mr. Bruce E. Duke's letter in your April 6, 1966, issue concerning his opposition to the "God is dead" idea.

My opinion is: The God that man created is dead, but the God that created man is very much alive.

I would recommend that your readers read the April 19, 1966, issue of LOOK magazine and the article "In Defense of God."

A Christian
Believer in God

Dear Mr. Loley:

The members of the various veterans' organizations; join me in expressing our sincere appreciation for your editorial of March 30 concerning the old war memorial monument.

Your comments are noteworthy of commendation and reflect an important contribution to the planned success of a new memorial monument in proper tribute to our deceased veterans.

Sincerely yours,
H. J. Barth,
